NEW ORLEANS POLICE DEPARTMENT OPERATIONS MANUAL

CHAPTER: 44.3

TITLE: JUVENILE WARNING NOTICE AND SUMMONS

EFFECTIVE:

REVISED:

PURPOSE

The purpose of this Chapter is to provide officers of the New Orleans Police Department with guidelines regarding when to take juveniles into custody and when to issue a Juvenile Warning Notice or Juvenile Summons only.

POLICY STATEMENT

1. When an officer can lawfully take a juvenile into custody, based upon the officer's finding of probable cause or pursuant to an order of the court, the officer should, whenever possible, rely on the least restrictive and most reasonable alternative consistent with preserving public safety, order, and individual liberty.

DEFINITIONS

Delinquent Act—An act committed by a child of ten years of age or older which, if committed by an adult, is designated an offense under the statutes or ordinances of this state, or of another state if the offense occurred there, or under federal law, except traffic violations. (See: CHC Art. 804). "Delinquent act" shall not include a violation of R.S. 14:82, 83.3, 83.4, 89, or 89.2 for a child who, during the time of the alleged commission of the offense, was a victim of trafficking of children for sexual purposes pursuant to R.S. 14:46.3(E)).

Juvenile Warning Notice—An oral notice issued to a juvenile, following an officer's finding of probable cause, in lieu of taking the juvenile into custody and referring the juvenile for prosecution.

Juvenile Summons—An instrument used to counsel and release a juvenile to the care of his parent, guardian, or caretaker upon his/her parent's, guardian's or caretaker's written promise to bring the juvenile to court at such time as may be fixed by the court, pursuant to La. Ch. Code article 814(B)(1).

Juvenile Habitual Offender—An individual with a criminal history of two or more felony convictions or five or more felony or misdemeanor arrests for any offense. (See: **Section 102-1 of the Code of the City of New Orleans.**)

Protective custody—Taking a child into custody without a court order based on reasonable grounds to believe that the child's surroundings are such as to endanger the child's welfare and

immediate removal appears to be necessary for the child's protection (La. Ch.C. art. 621).

Status Offense—Those offenses that would not be a criminal violation if not for the age of the offender (e.g., running away, underage drinking, curfew violation, truancy).

STATUS OFFENSE

2. A juvenile shall not be taken into custody for a status offense, alone. The officer shall issue a **Juvenile Warning Notice** (See: **Code of the City of New Orleans, Section 102-1**) and release the juvenile as appropriate, including to the:
 - (a) Juvenile's school administrator if during school hours;
 - (b) Juvenile's parent, guardian, or caretaker; or
 - (c) The appropriate intervention center such as the Youth Opportunity Center during working hours.

DELINQUENT ACTS

3. A juvenile who has not been previously arrested or received a Juvenile Warning Notice for a delinquent act in the prior 365 days shall be issued a Juvenile Warning Notice when an officer finds probable cause for any of the following misdemeanor-grade delinquent acts, or attempts thereof, and shall be released as appropriate, including to the juvenile's school administrator if during school hours, parent, guardian, caretaker or appropriate intervention center:
 - (a) Criminal mischief;
 - (b) Criminal trespass;
 - (c) Disturbing the peace;
 - (d) Misdemeanor illegal possession of stolen things;
 - (e) Misdemeanor obstruction of justice;
 - (f) Misdemeanor theft or theft of goods;
 - (g) Obstruction of public passages;
 - (h) Simple assault;
 - (i) Simple battery; or
 - (j) Simple possession of marijuana.

JUVENILE WARNING NOTICE

4. When issuing a Juvenile Warning Notice, the investigating officer shall:
 - (a) Obtain an Item Number from Communications Services for an appropriate police signal and supply a disposition of "**N.A.T., one juvenile warning notice**" when completed.
 - (b) Document the stop and Juvenile Warning Notice in an FIC. (See: **Chapter 1.2.4.1 – Stops / Terry Stops**).
 - (c) Instruct the juvenile to immediately advise his/her parent, guardian or caretaker of the Juvenile Warning Notice.
 - (d) Release the juvenile as appropriate, including to the juvenile's school administrator if during school hours, parent, guardian, caretaker or appropriate intervention center.
5. When an officer finds probable cause for any of the enumerated offenses listed in this Chapter and the juvenile has previously been arrested or already received a Juvenile Warning Notice for any delinquent act in the prior 365 days, the officer may exercise his/her discretion to issue a Juvenile Warning Notice or Juvenile Summons in lieu of a custodial arrest, bearing in mind that the officer should rely on the least restrictive and most reasonable alternative consistent with preserving public safety, order, and individual liberty.

6. Prior Juvenile Warning Notices can be found in the Departmental FIC database.

JUVENILE SUMMONS AND RELEASE

7. Juvenile Summonses shall be issued when the juvenile is:
- (a) Engaged in misdemeanor grade delinquent act not listed in this Chapter for **Juvenile Warning Notice**;
 - (b) Engaged in misdemeanor grade offenses that are listed herein for **Juvenile Warning Notice** when the juvenile has previously been arrested or already received a Juvenile Warning Notice for any delinquent act in the prior 365 days and the circumstances warrant that the officer exercise his discretion to issue a summons; or
 - (c) Has an outstanding warrant for misdemeanor grade delinquent act or for "Failure to Appear" unless a judge has ordered that the juvenile be detained.
8. When citing a juvenile solely for one of the violations enumerated herein for summons and release, an officer shall issue a Juvenile Summons and may not make a custodial arrest, except when one of the following circumstances exists:
- (a) The juvenile's parent, guardian or caretaker cannot be located after reasonable efforts have been made;
 - (b) The juvenile's parent, guardian or caretaker does not possess identification issued by municipal, state, territorial, federal, or other governmental authority;
 - (c) The juvenile's parent, guardian or caretaker makes a statement that indicates an intent to disregard the Juvenile Summons, or his/her parent, guardian or caretaker refuses to sign the Juvenile Summons;
 - (d) The juvenile acts in a violent or destructive manner or makes a statement indicating that he/she intends to inflict injury to self or another or damage to property;
 - (e) The juvenile is a Juvenile Habitual Offender;
 - (f) The offense for which the officer stopped the juvenile is one involving weapons;
 - (g) The offense for which the officer stopped the juvenile is one involving domestic violence pursuant to R.S. 14:35.3 and the officer deems that the child poses a threat to another household member or family member (See: **Chapter 42.4 – Domestic Violence**); or
 - (h) Based on the circumstances, the officer determines that it is **absolutely necessary** to make a custodial arrest and the arrest decision is concurred by the officer's supervisor.
9. If one of the circumstances listed immediately above (other than 8(h)) does exist, the officer may still use discretion to issue a Juvenile Summons instead of making a custodial arrest.
10. Notwithstanding the provisions of the prior paragraphs regarding Juvenile Summons and release, above, an officer may use his/her discretion to take a juvenile into lawful, protective custody, instead of issuing a Juvenile Summons if:
- (a) The juvenile has no identification and refuses to cooperate in locating a parent, guardian or caretaker, but the officer will first make an independent reasonable effort to locate a parent, guardian or caretaker before taking the juvenile into custody;
 - (b) The juvenile requires medical examination or medical care, or if he or she is unable to care for his/her own safety (including self-harm); however, the officer shall ensure the juvenile is examined by a medical professional and provided treatment before taking the juvenile into custody; or
 - (c) The juvenile is so intoxicated that he/she could be a danger to himself/herself or to others.

11. If the officer exercises discretion as outlined above in taking a juvenile into protective custody, rather than issuing a Juvenile Summons, the officer must document the reason(s) for the exercise of discretion in the FIC, affidavit or EPR. The officer shall notify Communications Services to contact the Department of Child and Family Services (DCFS) if such a custody occurs and immediately transport the juvenile to Juvenile Intake Unit unless medical attention is required. The Juvenile Intake Unit member will contact DCFS for follow-up as well.
12. Members who believe that a child's physical or mental health or welfare is endangered as a result of abuse or neglect or that abuse or neglect was a contributing factor in a child's death shall notify the Child Abuse Unit (La. Ch.C. arts. 609-610). (See also: **Chapter 42.19 – Child Abuse** for protective custody requirements).
13. For purposes of notification of parent, guardian or caretaker and obtaining the required signature for a Juvenile Summons, Officers may:
 - (a) Wait on the scene for up to 15 minutes, including the time necessary to contact the party to obtain the signature;
 - (b) Transport the juvenile to his/her parent, guardian or caretaker if he/she is in the same police district or an adjacent district to obtain the signature; or
 - (c) Transport the juvenile to Juvenile Intake if the officer cannot obtain the necessary signature within the guidelines of (a) or (b) above.
14. Juvenile Intake will accept the juvenile and the Juvenile Summons, continue to attempt to contact the parent, guardian or caretaker and may wait for no more than four hours from the time the juvenile is turned over to Juvenile Intake before the Juvenile Summons is converted to an Affidavit and the juvenile is booked.
15. In cases where a Juvenile Summons is converted to an affidavit for lack of a parent, guardian or caretaker's signature, covered in **Chapter 44.3 - Juvenile Warning Notice and Summons**, no EPR is required by the original officer(s). But, if required for juvenile booking and processing, the original offense report may consist of a single face sheet and a gist page, provided the information required for prosecutorial review and acceptance is contained in the document. Single face sheet and gist page reports shall be generated by the on-duty Juvenile Intake Unit member assigned by his/her supervisor.

SUMMONS REQUIREMENTS FOR JUVENILES

16. Any Juvenile Summons issued **shall** (see: C. Cr. P. 208; C. Cr. P. 211.1) meet the requirements of **Chapter 41.8 – Affidavits and Summons** and must be signed by the parent, guardian or caretaker.
17. After determining that a Juvenile Summons may be issued in lieu of custodial arrest, officers shall ensure that the parent, guardian or caretaker acknowledges that his/her signature is his/her written promise to appear with the juvenile on the date, time and place specified by Juvenile Court for appearance.
18. Cases involving felony and misdemeanor charges will not be separated into different cases. If a misdemeanor charge is part of a felony arrest, the misdemeanor will be charged as a state law violation. (Example: If a juvenile is arrested for armed robbery (a felony) and is in possession of a small amount of marijuana (misdemeanor), the officer shall book with RS14:64 and RS40:966.)
19. All summonses that are issued to a juvenile as a “stand alone” **misdemeanor charge**

(no felony charges) shall be documented in an electronic Field Interview Card (FIC). (Refer to **Chapter 1.2.4.1 – Stops / Terry Stops** for completion of documentation.)

20. Juvenile Summons (summons and release) cases shall be set by Juvenile Court. The eCitation system will indicate “To Be Set” on the form; the issuing officer does not need to determine or set a date.
21. The electronic version (eCitation) is automatically routed to Juvenile Court, but any paper summons shall be conveyed to Juvenile Court by the member assigned during the first daytime shift after issuance, absent weekends and court holidays.

JUVENILE ARREST CASES FOR MISDEMEANOR OFFENSES

22. Officers shall handle juvenile custodial arrests on misdemeanor charges pursuant to **Chapter 44.1.4 – Temporary Custody of Juveniles**.

REPORTING

23. The issuing officer shall record the issuance of the Juvenile Warning Notice or Juvenile Summons in an FIC. (See also: **Chapter 41.12 – Field Interview Card**). The juvenile offender information, along with the offense for which it was issued, shall be recorded and retained in the Departmental FIC database in such a fashion as to be accessible to officers in the future.
24. When an officer issues a Juvenile Summons, the officer must document and report details of the incident in accordance with La. Ch. Code article 814(E) and (F). The officer must also secure a written promise from the juvenile's parent, guardian or caretaker to bring the child to court, pursuant to La. Ch. Code article 814(B)(1). At a minimum, the FIC must contain the following information:
 - (a) The name, address, date of birth, sex, and race of the juvenile.

 - (e) A statement indicating whether the juvenile was released -or placed in a shelter care facility (YOC).
 - (f) An explanation of the reasons whenever an officer exercises discretion for issuing a Juvenile Summons in lieu of issuing a Juvenile Warning Notice or making a custodial arrest as allowed above.
25. When an officer effectuates a custodial arrest of a juvenile, the officer shall appropriately document all information, including specifying the circumstances justifying the custodial arrest in an EPR for state felony charges or FIC and GIST for misdemeanor charges as appropriate pursuant to **Chapter 44.1.4 – Temporary Custody of Juveniles**.
26. NOPD shall prepare and submit quarterly reports to the Criminal Justice Committee of the City Council. Such reports shall include the following data from the preceding quarter:
 - (a) The number of juvenile custodial arrests and reasons for those arrests;
 - (b) The number of unique juveniles under custodial arrest;
