V. INTRODUCTION TO QUARTERLY REPORT

The second quarter of 2023 was another mixed bag for the NOPD. On one hand, the Department continues to make progress in meeting the Consent Decree's requirements. Over the last few months, several additional paragraphs have been moved "into the green," which indicates the Monitoring Team's ability to spend less time auditing and reviewing those elements. Also, NOPD's Professional Standards and Accountability Bureau ("PSAB"), the U.S. DOJ, and the Monitoring Team continue to have constructive weekly meetings to ensure everyone is on the same page regarding what has been done and what is left to do.

At the same time, NOPD continues to struggle in some areas. The Monitoring Team's recent report on PIB's investigation of a member of the Mayor's executive protection detail, for example, identified nine material violations of the Consent Decree by NOPD. Making matters worse, when presented with these violations, the NOPD (i) refused to acknowledge them, (ii) refused to engage in meaningful dialogue to remedy them, and (iii) represented that it intended to continue violating some of them. This certainly is not the response one would expect from a Department claiming to be fully committed to Consent Decree compliance, nor is it consistent with the high level of cooperation that used to be characteristic of the NOPD's approach to working with the Monitoring Team.

In early July 2023, the NOPD announced it had opened new misconduct investigations into another eleven officers who appeared to be "double dipping" – that is, charging the NOPD and their secondary employment customers for the same time. This is the same conduct that brought 11 different officers under criminal investigation in 2022. At the same time, NOPD admitted that the system implemented to remedy the problem in 2022 is not working as intended.

In the area of patrol responses to calls for service, the Monitoring Team conducted a joint audit with NOPD's PSAB that produced troubling findings. While this will be the subject of a forthcoming Special Report, the Monitoring Team's audit showed that 80% of calls for service involving domestic violence were deprioritized (*i.e.*, moved from a Code 2 emergency priority to a Code 1 non-emergency priority) by NOPD supervisors from January 2022 – November 2022, causing NOPD to underreport its response times on Code 2 calls. Moreover, of these deprioritizations, the Monitoring Team identified 75% as unreasonable.¹

¹ PSAB reviewed the same deprioritized cases as the Monitoring Team and found 32% unreasonable. The reasons for the delta will be spelled out in the forthcoming report. Suffice it here to say, however, that whether the number is 75% (as the Monitoring Team found) or 32% (as PSAB found), PSAB and the Monitoring Team agree the number is too high.

The joint PSAB/Monitoring Team audit also looked at the high (and increasing) number of GOAs (“gone on arrivals”) in domestic violence and rape calls. This is not a new issue. The City Council’s data analyst Jeff Asher identified the problem last year, finding that 40% of all rape calls were downgraded from a Code 2 to a Code 1, and that 40% of those were marked GOA by the responding officers. The recent joint PSAB/Monitoring Team audit (conducted between February – July 2023) revealed similarly troubling findings. The Monitoring Team found that NOPD supervisors deprioritized DV calls 80% of the time, and that they downgraded rape calls 77% of the time. (It seems most deprioritizations were due to the unavailable of officers to respond in a timely fashion.)

While already the subject of a Special Report issued on July 7, 2023, our reviews of the NOPD Sexual Violence Division (SVD) continues to turn up problems – not with the SVD detectives or the quality of their investigations, but with the resources made available by the City to those detectives. Far and away, NOPD’s SVD detectives are committed, hard-working, compassionate, empathetic individuals. However, as shown in our Special Report, the Department is putting way too much on their plates. Their caseloads have become unmanageable and unsustainable. NOPD reports SVD caseloads can be as high as 64 per detective. The New Orleans Sexual Violence Response Advisory Committee has reported officers can have caseloads up to 89 per detective.

With caseloads this high, investigations inevitably suffer. Our recent audit found inadequate follow-up by SVD detectives in 25% of the cases we reviewed. NOPD does not disagree there is a significant problem here. As NOPD noted in response to the Monitoring Team’s Special Report, “SVD detectives /supervisors are unfortunately placed in a position where they must constantly triage cases. It’s impossible to conduct thorough, victim-centered, aggressive, and complete investigations with a closed disposition for every single case assigned to them without the proper manpower/caseload ratio.”

We also have noted a number of issues recently that give us concern in the area of Use of Force (CD Section III). While the data continue to show low numbers in terms of firearms discharges and uses of force generally, the Monitoring Team is seeing signs of backsliding in a number of UOF-related areas. These signs include a less robust Use of Force Review Board; a failure by the current UFRB leadership to ask hard questions and consider broad implications of the matters before them; a reduced willingness by the UFRB to consider comments and recommendations by the Monitoring Team and the Independent Monitor; shortcomings in some PIB FIT UOF investigations, including several involving neck holds; an increased willingness by the NOPD disciplinary committee to reverse PIB sustained findings; and an increase in unauthorized vehicle pursuits and an accompanying inability to track them efficiently and effectively.

Page 11 of 29
August 15, 2023
www.consentdecreemonitor.com

Taken together, these issues raise red flags for the Monitoring Team, as they should for the public and the NOPD. It's unclear what is driving this trend. But it occurs against a backdrop of statements and actions by the Mayor, the City, and the Superintendent that signal a change in attitude and policy toward Consent Decree compliance and cooperation with the Monitoring Team. These include, multiple comments by the Mayor that NOPD officers should not "be handcuffed when they know how to police and they know how to effectively do their job," and that "the consent decree handcuffs officers by making their jobs harder, pestering them with punitive punishment and burying them with paperwork that is an overburden" (Press Conference statements from August 2022); the City's disregard of Consent Decree requirements applicable to the Vappie investigation; the City's refusal to disclose to the Monitoring Team the recommendations by Consulting Chief of Operations Fausto Pichardo; the Mayor's and Superintendent's decision to no longer permit City or NOPD employees to report to the Court concerning their progress implementing the Consent Decree; and the City's motion to terminate the Consent Decree.

These actions suggest the City believes it must choose between crime fighting and Consent Decree compliance. That is a false choice, and an unacceptable one. The data show little correlation between complying with the Consent Decree and crime fighting. In fact, from 2016 through 2020, right in the middle of the NOPD Consent Decree, New Orleans experienced a steady decline in murders.

The Consent Decree is a court order, to which the City consented, entered to ensure constitutional policing in New Orleans. The City made its greatest progress toward Consent Decree compliance, while experiencing a reduction in crime, when it cooperated with the Monitoring Team and DOJ as partners in achieving a shared goal of constitutional, safe, and effective policing.

Notwithstanding these concerns and the hurdles facing the NOPD because of its ongoing recruitment and retention problems, there still is reason for optimism. The members of NOPD's PSAB unit continue to work tirelessly to audit compliance, identify areas needing improvement, devise creative and meaningful corrective actions, and look for ways to replicate things that are going well. PSAB drafts well-crafted policies, supports other bureaus' efforts to draft actionable Standard Operating Procedures, and provides meaningful input to the Academy's training program. And we would be remiss if we did not recognize the contributions of NOPD's officers and supervisors, most of whom work tirelessly under trying circumstances to provide the level of Constitutional policing the New Orleans community has come to expect from the NOPD.

VI. SUMMARY OF SECOND QUARTER MONITORING ACTIVITIES

- Per CD paragraph 461, met with community stakeholders, including community members, victims' rights advocates, business leaders, and officers to hear their perspectives on NOPD's reform efforts.

* * *

As we have done since our appointment, the Monitoring Team also spent significant time meeting with, and listening to, the parties to the Consent Decree. The Monitoring Team is in regular contact with the City, the NOPD, and the DOJ. We also continue to meet regularly with the NOPD PSAB, the PIB, the NOLA IG, the Independent Police Monitor, and various community advocacy groups.

VII. CONSENT DECREE REQUIREMENTS – COMPLIANCE STATUS

A. Policies

The NOPD has developed and published its policies covering and implementing all areas of the Consent Decree. The policies are publicly available on the [NOPD's website](#). The NOPD continues to develop and issue new policies as necessary and appropriate. The Monitoring Team reviews and provides feedback on each policy. Currently, the Department is finalizing policies to govern cell phone usage, the ISB Executive Protection Unit, Alternative Police Response (APR), and PIB investigations of high-ranking NOPD command staff; and standard operating procedures governing APR, DA Refusals; and FOB Inspections.

B. Training

The Department provides training (both in the Academy for new recruits and annual in-service training for officers) as required by the Consent Decree. The Department's master training plan is available on the NOPD website. The Monitoring Team continues to monitor training to ensure it is sufficient to meet the needs of NOPD officers and community members, and the requirements of the Consent Decree. PSAB currently is conducting a full audit of the Academy, which has never been done before. The Monitoring Team will conduct a "look-behind" of the PSAB Academy audit once it is complete.

C. Implementation

To help NOPD manage implementing the Consent Decree's requirements and tracking compliance status, the Monitoring Team developed and has provided the parties an Excel spreadsheet that (a) tracks the compliance status of each Consent Decree paragraph; (b) notes the next steps needed for NOPD to come into compliance; and (c) provides a place for NOPD to state when it expects to accomplish the task (although, to date, NOPD has not provided this information). A high-level version of this Excel spreadsheet is provided at the end of this Report as **Appendix A**.

The spreadsheet is a valuable compliance management tool, but it is important to understand that it is a tool for the parties' and Monitoring Team's use only. It does not reflect a finding by the Court. Moreover, it is a living document that reflects the Monitoring Team's assessment of NOPD's compliance at a point in time. Paragraphs can—and do—move into and out of compliance. Ultimately, regardless of the recommendations reflected in the Tracker, whether NOPD has satisfied the terms of the Consent Decree is a legal determination that will be made by Judge Morgan.

VIII. AUDITS, FINDINGS, AND RECOMMENDATIONS

During the second quarter of 2023 (“Q2”), in addition to its regular monitoring activities, the Monitoring Team conducted multiple audits, reviews, and spot-checks directed by the District Court. The following sections provide an overview of each audit, including a summary of the methodology, key findings, and any associated recommendations.

A. Performance Evaluations

In March 2023, PSAB conducted an audit of the Department’s 2022 performance evaluations. During its audit, PSAB reviewed 381 randomly selected performance evaluations. Overall, PSAB’s audit reflected similar results of prior PSAB and Monitoring Team audits. For example, PSAB found NOPD supervisors needed to improve their evaluations of report writing, decision-making, safety, community engagement/problem solving, supervisors use of Insight, and supervisors’ use of recordings to evaluate officer performance. PSAB also found some areas that achieved 100% (or near 100%) levels of compliance

In May 2023, the Monitoring Team randomly selected 62 of the Department’s 2022 performance evaluations to conduct a look behind of PSAB’s 2022 performance evaluation audit. Of the 62 evaluations chosen by the Monitoring Team, 25 previously were audited by PSAB. Of the 37 evaluations not audited by PSAB, two evaluations had not been completed (and were counted as non-compliant for purposes of the review). The purpose of the Monitoring Team’s look behind was (1) to verify the PSAB findings for the performance evaluations PSAB audited; and (2) to compare the evaluations that were audited by the Monitoring Team but *not* audited by PSAB to PSAB’s audit findings.

Overall, when reviewing the 25 evaluations that also were reviewed by PSAB, the Monitoring Team agreed with the majority of PSAB’s findings *except* in Sections 4 (community engagement and problem solving), 8 (quarterly reviews and areas of growth), and 10 (how well supervisors completed supervisory activities). Although PSAB found low levels of compliance with Sections 4 (44% compliance) and 8 (49% compliance), the Monitoring Team found *even lower* levels of compliance. In particular, out of the 25 evaluations the Monitoring Team reviewed, in Section 4(b), the Monitoring Team agreed with only 16 (or 64%) of the evaluations. In Section 8b, the Monitoring Team agreed with only 9 (or 36%) of the evaluations.

Additionally, PSAB found high levels of compliance in Section 10 (which is applicable only to supervisors), while the Monitoring Team found lower levels of compliance. For example:

Page 16 of 29

 www.consentdecreemonitor.com

Section	PSAB Compliance Assessment (%)	% with which Monitor Agreed with PSAB
10.1 (Described how employee deterred and/or addressed misconduct)	97%	67%
10.2 (Conducted regular reviews of Insight)	98%	75%
10.3 (Addressed all non-compliance as distributed by ARU)	100%	89%
10.4 (Ability and effectiveness conducting supervisory reviews)	98%	56%

For the 37 evaluations reviewed by the Monitoring Team (but not previously reviewed by PSAB during the 2022 PSAB audit), the Monitoring Team generally found a range of compliance with especially low levels of compliance in some areas (again, particularly for Sections 4, 8 and 10). The Monitoring Team's findings are summarized in the following table:

Section/Question	Monitor's Compliance Assessment (%)
1 - Reporting skills	86%
2 - Decision making	92%
3 - Safety employed	84%
4a - Community engagement	68%
4b - Problem solving	35%

5b - Insight verification	95%
5c - Insight verification	95%

Section/Question	Monitor's Compliance Assessment (%)
5d - Insight verification (citizen complaints)	89%
5e - Insight verification (rank complaints)	89%
5f - Insight verification (discipline)	92%
5g - Insight verification	95%
5h - Insight verification (commendations)	92%
6 - Search warrant log verification	95%
7 - Stops, pat-downs, or arrests verification	92%
8a - Quarterly reviews	32%
8b - Areas of growth	24%
9 - Bilingual pay verification	95%
10.1 - Described how employee deterred and/or addressed misconduct	75%
10.2a - Conducted regular reviews of Insight	58%
10.2b - Number of late reviews	67%
10.2c - Patterns identified	67%
10.2d - Non-disciplinary corrective action taken	50%
10.3 - Addressed all non-compliance as distributed by ARU	58%
10.4 - Ability and effectiveness conducting supervisory reviews	67%

Although NOPD's performance evaluations have steadily improved, the Department still has more work to do.²

To accelerate progress in this area, NOPD's PSAB reports that it has begun requiring supervisors to prepare supplemental documentation in their quarterly reviews to ensure they have sufficient materials to reference when it comes time to complete the annual reviews. Further, PSAB now is requiring supervisors at the rank of lieutenants and above to put a note in the Department's SFL system documenting how their subordinate supervisors performed on the prior year's evaluations, which will help them measure trends over time. The Monitoring Team applauds NOPD for these initiatives and looks forward to seeing positive results therefrom.

B. Policing Free of Gender Bias – Review of Special Victims Division Open Cases

In response to concerns from local victim advocates regarding insufficient case follow up in the NOPD's Special Victims Division, the Monitoring Team conducted a review of SVD open cases. At the time of our review, there were 728 "open and unsolved" cases from January 2022 – March 2023. The Monitoring Team randomly selected 80 cases (just over 10%) to review. The purpose of the review was to determine whether the cases were being satisfactorily investigated and documented after the initial investigation, which normally occurs on the scene or during the initial report of the crime.

Overall, we found 20 of the 80 cases (25%) were in need of some additional investigation and/or supplemental documentation. Several of the case deficiencies noted require a supplement indicating whether there was anything remaining to investigate. It is possible those cases should be moved into "Open and Inactive" status. Other cases were simply left open – leaving the Monitoring Team unable to determine the next steps of the investigation, or whether anyone actively was working on the case. Notably, in prior audits, the Monitoring Team found that there often has been follow-up in cases that had not yet been documented in the case files. Following the audit, the Monitoring Team sent our case comments to SVD leadership for their comments, explanations, or supplements.³

² The Monitoring Team recognizes that getting supervisors to complete thorough and thoughtful performance evaluations is tough in any profession. Nonetheless, since performance evaluations will continue to determine the future of the Department, until a better approach comes along, it's important that NOPD keep trying to improve its results in this area.

³ NOPD has explained that, of the 20 cases the Monitoring Team identified as in need of additional investigation, 11 belonged to one detective. According to NOPD, "this detective had shown signs of (and later expressed) burnout by calling in sick monthly and declining in productivity. Counseling, mentoring, and eventually progressive discipline were implemented (SFL) but to no avail. That detective was recently

The results of our review suggest that additional personnel, whether sworn detectives or Social Service Workers, would aid in completing required follow-ups and providing documentation that would verify the results of a continuing and thorough investigation in all assigned cases.⁴

C. PIB Professionalism Investigations

In June 2023, the Monitoring Team conducted a comprehensive review of PIB's investigative case files. Our objective was to assess the quality, effectiveness, and adherence to PIB's established protocols in the investigation of professional misconduct allegations against NOPD officers. To conduct the review, the Monitoring Team randomly selected a sample of 79 complaints (about 10% of the total number) of employee misconduct related to professionalism received by PIB between January 1, 2020 and December 31, 2022. The review involved a detailed examination of the sample of PIB investigative case files, including the documentation, evidence collection, interviews, analysis, and final determinations.

The following chart summarizes the Monitoring Team's findings:

Final Disposition	# of Cases Reviewed	# of Cases w/ Minor Deficiencies	# of Cases w/ Major Deficiencies
Exonerated	10	3 (30%)	2 (20%)

transferred out of the unit (with no replacement). The detective's caseload must now be reassigned out to other detectives and investigators; this is the trend. All 20 cases have since been reassigned and/or corrected with the appropriate follow-up action." This is a helpful explanation that puts some of Monitoring Team's findings in context. The explanation, however, also drives home the Monitoring Team's comments at the conclusion of its June Special Report on SVD Investigations that "Working sexual assault cases is not an easy task. It is physically and emotionally draining. Low staffing and high caseloads not only impact the quality of investigations, they increase the risk of burnout among detectives."

⁴ These matters were discussed in greater detail in the Monitoring Team's July 7, 2023 Special Report on NOPD Sexual Assault Investigations. In that report, we noted "To NOPD's credit, it is not running away from the concerns identified in this Report. The Department responded to a draft of this report (which we are required to share with the Parties before filing per the terms of the Consent Decree) with a very thoughtful letter written by Lieutenant Sheila Celious of the Special Victims Division detailing NOPD's agreement with many of the Monitoring Team's findings, raising some useful clarifications with respect to others, and sharing elements of the Department's remedial action plan. The Monitoring Team has enjoyed a very constructive working relationship with Lt. Celious over the years, continues to be impressed by her commitment to improving the Special Victims Division, and thanks her for her constructive input. Many of her comments have been incorporated into the final draft of this Special Report."

Final Disposition	# of Cases Reviewed	# of Cases w/ Minor Deficiencies	# of Cases w/ Major Deficiencies
Not Sustained	12	0 (0%)	4 (33%)
Pending	9	1 (11%)	2 (22%)
Sustained	10	1 (10%)	6 (60%)
Unfounded/NFIM	24	1 (4%)	0 (0%)
Mediation	8	0 (0%)	2 (25%)

As a result of the review and findings, the Monitoring Team made several observations and associated recommendations:

1. **Mediation Policy.** The mediation program serves as an effective tool for resolving conflicts between citizens and law enforcement. However, under the current Mediation Policy, the investigation is automatically closed when citizens do not attend scheduled mediations. This policy has the potential to leave serious misconduct complaints uninvestigated. NOPD should review and consider updating the Mediation Policy to close this loophole and to ensure accountability.
2. **Focus of Investigations.** The Monitoring Team observed multiple instances where the wrong policy violation was investigated. For instance, an allegation of sexual harassment and two clear use of force incidents were both inappropriately investigated as matters of professionalism.⁵ To ensure fair and accurate outcomes, NOPD should enhance education and training; clarify investigative guidelines; promote collaboration/consultation; enhance the quality assurance (QA) process; analyze data to identify misclassifications; and establish or clarify reporting and documentation procedures.
3. **Investigative Curiosity.** To ensure comprehensive and effective investigations, it is essential for investigators to demonstrate a proactive approach and a willingness to explore beyond the information provided in

⁵ Similarly, the PIB investigation into allegations against Officer Jeffrey Vappie was investigated primarily as a 16.48 hours violation although the complaint equally alleged payroll fraud.

the complaint intake form. NOPD should consider providing training on enhanced interviewing techniques; foster inter-departmental collaboration; provide regular case review and feedback; and enhance supervisory support and guidance.

4. **Investigative Effort.** The Monitoring Team observed instances where potentially relevant evidence was not examined due to the requirement of physically going to a different location to review an archived case file. This lack of access to crucial information hindered the thoroughness of the investigation. NOPD should consider digitizing archived case files to improve access; implementing a centralized digital repository; using remote access technology; streamlining the archived case file request process; encouraging collaboration and knowledge sharing; offering continuous training and professional development.
5. **Credibility Assessments.** The Monitoring Team observed instances where credibility assessments were either absent or appeared to lack objectivity. It is important to ensure that credibility assessments are conducted objectively and consistently to maintain the integrity of the investigative process. To correct this, NOPD should consider establishing/enhancing clear guidelines; implementing structured interview techniques; documenting credibility assessments; encouraging collaboration and peer review; establishing an independent review mechanism; establishing a QA process; and providing ongoing training and professional development.
6. **File Organization.** The Monitoring Team observed that many files contained excessive and often duplicative information, which can hinder the investigative process and create unnecessary inefficiencies. To correct this, NOPD should consider developing templates; ensuring sections are clearly labeled and organized; establishing a file naming convention; implementing a QA process; and providing training on effective case file organization.
7. **Use of Supervisory Feedback Logs (SFLs).** The Monitoring Team observed that some professionalism complaints could have been addressed through an SFL, rather than going through a formal investigative process. To address this NOPD should consider instituting a re-energized awareness campaign regarding the purpose and use of SFLs.
8. **Lack of BWC Footage.** When there is a lack of additional information, such as BWC footage, and conflicting accounts of an incident between a citizen and an officer, it often leads to a Not Sustained outcome. This means that without

sufficient evidence to substantiate or refute the allegations, it becomes challenging to reach a conclusive determination regarding the incident, and the investigation may result in an improper Not Sustained finding. To address this NOPD should consider mandating BWC usage for all officers and assignments (including those working off-duty assignments), providing training on proper evidence collection and interview techniques; and implementing standardized documentation.

9. **Acceptance of Unprofessional Behavior.** The Monitoring Team observed a concerning pattern where numerous officers were found to use profanity toward citizens, which was corroborated by reviewing BWC footage. The use of offensive language by officers toward citizens is a serious issue that undermines professionalism and can negatively impact community trust in the police. Although the officers are counseled when they use offensive language, this pattern of behavior demonstrates a need for further corrective action and additional training.⁶

Proper investigation of professional conduct complaints is important and is directly related to Consent Decree section V⁷ and VI⁸; and Consent Decree paragraphs 181⁹ and 185,¹⁰ among many others. The percentage of major investigative deficiencies for several of the case types is concerning. The Monitoring Team encourages NOPD to review and implement the recommendations above.

⁶ The Monitoring Team is not naïve. We recognize, due to the pressures of the job and the frequency of high-stress and dangerous encounters, some officers may use language they regret later. Such language does not necessarily make an officer a bad officer, a problem officer, or even one necessarily deserving of discipline (depending on the nature and extent of the language, of course). But the Consent Decree is clear about the respect officers must show to everyone they encounter. Moreover, as a purely tactical matter, it is worth noting that profanity by officers has been tied to increased excessive force complaints. In one study, community members against whom force was used were more likely to report the force as excessive if it was accompanied by officer profanity. The matter was put succinctly by a student with whom the Monitoring Team met toward the beginning of the Consent Decree. He said, “if I’m doing something wrong, arrest me. But don’t disrespect me in the process.” Well said.

⁷ Section V of the Consent Decree requires searches, seizures, and arrests to be “carried out with fairness and respect.”

⁸ Section VI of the Consent Decree requires that custodial interrogations are “conducted professionally.”

⁹ Section 181 of the Consent Decree requires officers to act “with professionalism and courtesy throughout the interaction regardless of any provocation.”

¹⁰ Section 185 of the Consent Decree requires officers to “treat LGBT individuals with courtesy, professionalism, and respect....”

D. Supervision – Insight and PIB Administrative Investigations

Prior Monitoring Team audits have focused separately on each of the following areas of the Consent Decree: PIB administrative investigations, use of force, discipline, performance evaluations, the early warning system (Insight), and supervision. But, determining whether officers are being supervised closely and effectively requires a review across multiple sections of the Consent Decree. Accordingly, this review was designed to take a more holistic approach to reviewing close and effective supervision by focusing our review on a limited number of officers (across multiple areas) to determine how their supervisors use Insight to address officer misconduct, take corrective action, and evaluate each officer’s progress.

To accomplish this, the Monitoring Team reviewed Insight/IAPro data and PIB records related to the four NOPD officers¹¹ with the greatest number of complaints (from 2015-present):¹²

¹¹ As indicated in the chart below, two of the NOPD officers included in the review are Sergeants. For ease, we do not distinguish between officers and Sergeants in the discussion that follows.

¹² Though the officers’ names are not provided in this public report, they have been shared with NOPD.

NOPD Officer:	Public-Initiated Complaints (2015-Present):	Rank-Initiated Complaints (2015-Present):	Total:
Officer A (Sgt.)	28	7	35
Officer B	18	15	33
Officer C (Sgt.)	26	5	31
Officer D	22	7	29

We undertook this review (and focused on the four officers with the highest number of complaints) because, if Insight is being used properly, one would expect to see not only multiple flags being raised about these officers, but also meaningful actions being taken by their supervisors. The Monitoring Team reviewed the four officers' Insight information including complaints (both citizen and rank-initiated), sustained complaints, discipline, use of force incidents, non-disciplinary corrective action (supervisor feedback log data on counseling and redirection), alerts, quarterly reviews, and ultimately performance evaluations. This review related to Consent Decree paragraphs 289, 299, 301, 306, 312, 313, 316, 317, 319, 325, and 403.

Overall, related to effective supervision, the Monitoring Team found:

- The Monitoring Team found 85 Insight alerts concerning the four officers / supervisors we reviewed. *Of those 85 alerts, 27 (32%) received no response from any supervisor.* Of the 21 various supervisors who received an alert, only three supervisors noted a pattern of problematic behavior. Moreover, only one supervisor took progressive actions for four quarters until the officer was removed from street duty.
- When reviewing the four officers' quarterly reviews over 60 quarters, the Monitoring Team found
 - 44 quarterly reviews (73%) had no documentation regarding officer performance challenges and areas of growth.
 - 3 quarterly reviews (5%) listed some problematic behavior but failed to list any actions taken.
 - 9 quarterly reviews (15%) stated there were no problems with the officer's performance.
 - Only 4 quarterly reviews (7%) properly listed challenges and areas of growth," identified a pattern, and demonstrated progressive actions

to address poor officer behavior/performance. All four properly documented reviews were completed by the same sergeant.

- Many supervisors regularly completed performance evaluations rating subordinates as “meeting expectations” (3 of 5), “exceeds expectations” (4 of 5), and “exceptional” (5 of 5). In addition to the large number of complaints, the same officers/sergeants had multiple sustained complaints, multiple use of force incidents exceeding their peer groups (Insight alerts), and multiple non-disciplinary corrective actions with many of them involving serious offenses. Failure to address these behaviors in quarterly reviews added to the deficiencies we often noted in their performance evaluations.

The nature of policing requires close and effective supervision, which is why the Consent Decree requires it. When you give a large number of people guns and badges, the community expects they will be well trained *and well supervised*. One of the key tools available to supervisors to achieve close and effective supervision is the Insight early warning system. Unfortunately, NOPD’s Insight system still has unfixed technical flaws, and supervisors still are not well versed in using the system and the wealth of information the system can generate.

NOPD recognizes more work is needed to ensure supervisors are using – and getting the benefits of – Insight. Accordingly, NOPD is pursuing a number of remedial measures that show promise. First, the Department reports it is working closely with the Insight vendor to explore a number of technological fixes. Second, the Department is working to enhance its performance evaluation process in a number of ways, several of which are expected to improve NOPD’s Insight scores as well. Third, NOPD is actively reviewing outstanding quarterly reviews and following up on delinquent supervisors. Done regularly this will assist the Department address several of the issues identified by the Monitoring Team. Fourth, NOPD’s PSAB has begun sharing specific audit findings with supervisors so they can see exactly how they stack up against their peers. NOPD is hopeful this level of internal transparency will help incentivize supervisors to pay more attention to this important element of management (and Consent Decree compliance).

In the meantime, other tools are available to NOPD supervisors to facilitate close and effective supervision. Supervisors have access to their Supervisor Feedback Logs (SFLs), which afford them, in appropriate cases, a simple way to recognize officer achievements and record officer mistakes without going down the PIB discipline route. Supervisors also now have policies, Standard Operating Procedures, and training that previously were unavailable. Their technology also has improved, including in-case recording equipment, body worn cameras (BWC), better translation devices, and much more. Leveraging this technology, like leveraging Insight itself, will go a long way in helping

officers meet their Consent Decree obligations, and provide close and effective supervision to all under their command.

IX. FUTURE PLANS: MONITORING ACTIVITIES FOR QUARTER THREE

During the third quarter of 2023, in addition to our regular monitoring activities, the Monitoring Team plans to:

- Conduct a spot check of Custodial Interrogations & Photo Line Up to ensure the improvement we saw law quarter has been sustained;
- Audit Insight (the Early Warning System);
- Finalize review of Use of Force Review Board cases and timeliness of hearings;
- Finalize the Monitoring Team/Independent Police Monitor spot check of active firearm pointings;
- Review past and attend future Disciplinary Hearings;
- Finalize and publish Special Report on GOAs and NOPD Response Times;
- Continue to attend weekly MAX meetings and monthly UFRB hearings;
- Work with the City to commence the required Biennial survey (CD ¶¶ 230-233);
- Present at hearings and status conferences as ordered by Judge Morgan, including a hearing focusing on the Monitoring Team's Special Report on Sexual Assault Investigations; and
- Hold public meetings and meet with community stakeholders.

We will report on these activities, including any findings and associated recommendations, in our third quarterly report.

X. CONCLUSION

As the Monitoring Team noted in the Q1 Report, NOPD continues to progress toward compliance. Ultimately, the NOPD must meet all the material requirements of the Consent Decree. NOPD's progress has been hindered recently by some backsliding in some areas, but this does not negate the progress NOPD has made in others. As we have said at many public hearings, two things can be true. NOPD (and the community) should be proud of its achievements, *and* also frustrated with its ongoing shortcomings. Whether and when NOPD has met all its obligations under the Consent Decree sufficiently is a determination for the Court to make. The Monitoring Team's role simply is to monitor, provide technical assistance when requested, and report to the Court and the public on the status of NOPD compliance. We are hopeful the information reflected in this Quarterly Report helps NOPD meet its obligations and ensures the public has accurate information regarding NOPD's efforts in doing so.

XI. APPENDIXES

A. Appendix A: Compliance Dashboard Tool (Current as of June 30, 2023)

The following is a snapshot of the Dashboard Tool, as of June 30, 2023 (the last day of Q2). NOPD has provided what it considers to be proof of compliance with several of the paragraphs marked as a “2” and the Monitoring Team currently is assessing the provided documentation. A current version of the Dashboard Tool is being used by NOPD and the Monitoring Team as a compliance tool, and an updated version will be provided in our next quarterly report.

2. POLICIES				
Policies & Training Generally	15	Policy Development, Review, and Implementation	1	NOPD agrees to develop comprehensive and agency-wide policies and procedures that ensure consistency with, and full implementation of, this Agreement. Unless otherwise noted, NOPD agrees that all policies, procedures, and manuals shall be developed within 365 days of the Effective Date.
Policies & Training Generally	16	Policy Development, Review, and Implementation	1	NOPD agrees that its policies and procedures shall define terms clearly, comply with applicable law and the requirements of this Agreement, and comport with best practices.
Policies & Training Generally	17	Policy Development, Review, and Implementation	2	NOPD agrees to apply policies uniformly and hold officers accountable for complying with NOPD policies and procedures.
Policies & Training Generally	18	Policy Development, Review, and Implementation	1	NOPD agrees to review each policy or procedure 365 days after it is implemented and annually thereafter, to ensure that the policy or procedure provides effective direction to NOPD personnel and remains consistent with the Agreement, best practices, and current law. NOPD also agrees to review and revise policies and procedures as necessary upon notice of a significant policy deficiency during audits or reviews. NOPD agrees that Department-wide policies and procedures shall be collected in a Department-level policy and procedure manual, and unit-wide policies and procedures shall be collected in unit-level policy and procedure manuals. NOPD agrees to develop and implement policy and procedure manuals for, at a minimum, the following NOPD functions: a) Field operations, including patrol, task forces, and special operations; b) Supervisory Procedural Manual; c) PIB, including case and records management, administrative investigations, confidential investigations, parallel criminal and administrative investigations, audits, and officer drug testing; d) Use of Force Reporting, Investigation, and Review, including both Supervisory and FIT investigations; e) Criminal investigations, including sub-units assigned to investigate homicides, sexual assaults, domestic violence, narcotics, vice, and illegal firearms; and f) Recruitment and Training, including Academy and In-Service training.
Policies & Training Generally	19	Policy Development, Review, and Implementation	1	NOPD agrees that these manuals shall incorporate and otherwise be consistent with the requirements of this Agreement.
Policies & Training Generally	20	Policy Development, Review, and Implementation	1	Within 90 days of the Effective Date, NOPD shall set out a schedule for completing all policies, procedures, and manuals within 365 days of the Effective Date.
Policies & Training Generally	21	Policy Development, Review, and Implementation	1	NOPD agrees to submit new and revised policies, procedures, and manuals related to: Use, Reporting, and Review of Force; Crisis Intervention Team; Stops, Searches, and Arrests; Custodial Interrogations; Biased Policing; Community Engagement; Academy and In-service Training; Supervision; and Misconduct Investigations ("the specified provisions"), to the Monitor and DOJ for review and comment prior to publication and implementation. If the Monitor or DOJ objects that the proposed new or revised policy, procedure, or manual does not incorporate the requirements of this Agreement, or is inconsistent with this Agreement or the law, it shall note this objection in writing to all parties within 15 business days of the receipt of the policy from NOPD. If neither the Monitor nor DOJ objects to the new or revised policy, procedure, or manual, NOPD agrees to implement it within 30 days of it being provided to DOJ and the Monitor.
Policies & Training Generally	22	Policy Development, Review, and Implementation	1	NOPD shall have 15 days to resolve any objections to the new or revised policies, procedures, and manuals implementing the specified provisions. If, after this 15-day period has run, DOJ maintains its objection, then the Monitor shall have an additional 15 days to resolve the objection. If either party disagrees with the Monitor's resolution of the objection, either Party may ask the Court to resolve the matter. The Monitor shall determine whether in some instances an additional amount of time is necessary to ensure full and proper review of policies. Factors to consider in making this determination include: (1) complexity of the policy; (2) extent of disagreement regarding policy; (3) number of policies provided simultaneously; and (4) extraordinary circumstances delaying review by DOJ or the Monitor. In determining whether these factors warrant additional time for review, the Monitor shall fully consider the importance of prompt implementation of policies, and shall allow additional time for policy review only where it is clear that additional time is necessary to ensure full and proper review. Any extension to the above timelines by the Monitor shall also toll NOPD's deadline for policy completion.
Policies & Training Generally	23	Policy Development, Review, and Implementation	1	For all other new and revised policies, procedures, and manuals related to this Agreement, NOPD agrees to provide the policy, procedure, or manual to DOJ and the Monitor For all other new and revised policies, procedures, and manuals related to this Agreement, NOPD agrees to provide the policy, procedure, or manual to DOJ and the Monitor
Policies & Training Generally	24	Training on Revised Policies, Procedures, and Practices	1	Within 60 days of the Effective Date, NOPD agrees to provide an opportunity for each officer and employee to learn about this Agreement and the responsibilities of each officer and employee pursuant to it.

CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Policies & Training Generally	25	Training on Revised Policies, Procedures, and Practices	2	Within 90 days of issuing a policy or procedure pursuant to this Agreement, NOPD agrees to ensure that all relevant NOPD personnel have received and read their responsibilities pursuant to the policy or procedure, including the requirement that each officer or employee reports violations of policy; that supervisors of all ranks be held accountable for identifying and responding to policy or procedure violations by personnel under their command; and that personnel be held accountable for policy and procedure violations. NOPD agrees to document that each relevant NOPD officer or other employee has received and read the policy. Training beyond roll call, or similar training, will be necessary for many new policies to ensure officers understand and can perform their duties pursuant to the policy.
Policies & Training Generally	26	Training on Revised Policies, Procedures, and Practices	2	Unless otherwise noted, the training required pursuant to this Agreement shall be delivered within 365 days of the Effective Date, and annually thereafter. Within 180 days of the Effective Date, NOPD shall set out a schedule for delivering all training required by this Agreement within 365 days of the Effective Date.
3. USE OF FORCE				
Use of Force	27	Use of Force Principles	1	Use of force by NOPD officers, regardless of the type of force or weapon used, shall abide by the following requirements: a) officers shall use advisements, warnings, and verbal persuasion, when possible, before resorting to force; b) force shall be de-escalated immediately as resistance decreases; c) when feasible based on the circumstances, officers will use disengagement; area containment; surveillance; waiting out a subject; summoning reinforcements; and/or calling in specialized units, in order to reduce the need for force and increase officer and civilian safety; d) officers shall allow individuals time to submit to arrest before force is used wherever possible; e) NOPD shall explicitly prohibit neck holds, except where lethal force is authorized; f) NOPD shall explicitly prohibit head strikes with a hard object, except where lethal force is authorized; g) NOPD shall explicitly prohibit using force against persons in handcuffs, except as objectively reasonable to prevent imminent bodily harm to the officer or another person or persons, or, as objectively reasonable, where physical removal is necessary to overcome passive resistance; h) NOPD shall explicitly prohibit the use of force above unresisted handcuffing to overcome passive resistance, except that physical removal is permitted as necessary and objectively reasonable; i) unholstering a firearm and pointing it at a person constitutes a use of force, and shall accordingly be done only as objectively reasonable to accomplish a lawful police objective; j) officers shall not use force to attempt to effect compliance with a command that is unlawful. Any use of force by an officer to subdue an individual resisting arrest or detention is unreasonable when the initial arrest or detention of the individual was unlawful; k) immediately following a use of force, officers and, upon arrival, a supervisor shall inspect and observe subjects for injury or complaints of pain resulting from the use of force, and immediately obtain any necessary medical care. This may require an officer to provide emergency first aid until professional medical care providers are on scene.
Use of Force	28	General Use of Force Policy	1	NOPD agrees to develop and implement an overarching, agency-wide use of force policy that complies with applicable law and comports with best practices and current professional standards. The comprehensive use of force policy shall include all force techniques, technologies, and weapons, both lethal and less-lethal, that are available to NOPD officers, including standard-issue weapons that are made available to all officers, and weapons that are made available only to specialized units. The comprehensive use of force policy shall clearly define and describe each force option and the circumstances under which use of such force is appropriate. The general use of force policy will incorporate the use of force principles articulated above, and shall specify that the unreasonable use of force will subject officers to discipline, possible criminal prosecution, and/or civil liability.
Use of Force	29	General Use of Force Policy	1	In addition to a primary agency-wide use of force policy, NOPD agrees to develop and implement policies and protocols for each authorized weapon, including each of the types of force addressed below. No officer shall carry any weapon, or use force, that is not authorized by the Department. NOPD use of force policies shall include training and certification requirements that each officer must meet before being permitted to carry and use the authorized weapon.
Use of Force	30	Vehicle Pursuits	2	NOPD agrees to prohibit vehicle pursuits, except where an officer obtains express supervisory approval, and the officer and supervisor have considered multiple factors and determined that the immediate danger to the public created by the pursuit is less than the immediate or potential danger to the public should the suspect remain at large. NOPD agrees to strictly prohibit the creation of roadblocks (i.e., completely blocking the roadway with vehicles or any obstructions, with the exception of approved devices designed to demobilize the pursued vehicle's movement) during a vehicle pursuit, intentionally positioning oneself in the path of the pursued vehicle, boxing in a violator with moving vehicles, and ramming a violator.
Use of Force	31	Vehicle Pursuits	2	NOPD agrees to track and analyze vehicle pursuits, including the violation that prompted the pursuit; the officer(s) involved in the pursuit; the supervisor approving the pursuit; the outcome of the pursuit; any officer, suspect, or bystander injuries or deaths; property damage; and related criminal or civil legal actions. This data and analysis shall be included in the EWS and in NOPD's Use of Force Annual report.

CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Use of Force	32	Use of Firearms	1	Officers shall not possess or use unauthorized firearms or ammunition while on-duty.
Use of Force	33	Use of Firearms	1	All officers' firearms shall be filled with the capacity number of rounds while on-duty.
Use of Force	34	Use of Firearms	1	Critical firearm discharges by officers on- or off-duty shall be reported and investigated.
Use of Force	35	Use of Firearms	1	Officers shall not discharge a firearm from a moving vehicle or at a moving vehicle unless the occupants of the vehicle are using deadly force, other than the vehicle itself, against the officer or another person, and such action is necessary for self defense or to protect the other person; shall not intentionally place themselves in the path of, or reach inside, a moving vehicle; and, where possible, shall attempt to move out of the path of a moving vehicle before discharging their weapon.
Use of Force	36	Use of Firearms	2	Officers shall not draw or exhibit a firearm unless the circumstances surrounding the incident create a reasonable belief that a situation may escalate to the point where lethal force would be authorized. NOPD policy and training shall require and teach proper techniques for unholstering, drawing, or exhibiting a firearm.
Use of Force	37	Use of Firearms	1	Officers shall be required at least once each year to successfully qualify with each firearm they are authorized to use or carry while on-duty. Officers who fail to qualify shall immediately relinquish NOPD issued firearms on which they failed to qualify. Those officers who still fail to qualify after remedial training within a reasonable time shall be subject to disciplinary action, up to and including termination of employment. Critical firearms discharge related data and analysis shall be tracked in the EWS and in NOPD's Use of Force Annual Report.
Use of Force	38	Use of Canines	1	DOJ acknowledges that NOPD has implemented an interim canine policy and has initiated significant improvements in its canine operations, including improvements in the quality and amount of training of canine teams, improvements in handler control of canines, personnel changes, and equipment procurement. Building on these steps, NOPD agrees to finalize and implement canine policies and procedures that comply with applicable law and the requirements of this Agreement, and that comport with best practices and current professional standards.
Use of Force	39	Use of Canines	1	Canine handlers shall limit off-leash canine deployments, searches, and other instances where there is an increased risk of a canine bite to a suspect to instances in which the suspect is wanted for a violent felony or is reasonably suspected to be armed based upon individualized information specific to the subject.
Use of Force	40	Use of Canines	1	A canine handler shall keep his or her canine within visual and auditory range during deployments at all times, except when a canine clears a threshold (e.g., rounding a corner, entering a room, ascending/descending a stairwell, or entering a confined space, such as a crawlspace).
Use of Force	41	Use of Canines	1	A canine supervisor shall be on call or on-duty at all times. A canine handler shall have approval from a canine supervisor (sergeant or higher) prior to deployment. If the handler is unable to contact a canine-unit supervisor, the handler shall seek approval from the watch commander before the canine can be deployed. The approving supervisor shall not serve as a canine handler in the deployment.
Use of Force	42	Use of Canines	2	Canine handlers shall issue three loud and clear warnings that a canine will be deployed and advise the suspect to surrender, unless such warnings impose an imminent threat of danger to the canine handler or other officers on scene. A canine handler shall allow a sufficient period of time between each warning to provide a suspect an opportunity to surrender. These warnings shall be given in either Spanish or Vietnamese if the suspect is reasonably believed to be a Latino or Vietnamese LEP individual.
Use of Force	43	Use of Canines	1	Canine handlers will only allow their canines to engage a suspect by biting if: (a) the suspect's actions pose a risk of imminent danger to the handler or others; a risk of serious harm to the canine; or the suspect is actively resisting (active resistance does not include concealment and refusal to surrender without more) and (b) the handler is in visual and auditory range of a suspect, except where the suspect is hiding in a confined space (e.g., a crawl space) and refuses to surrender, or escaping. Handlers will not allow their canine to engage a suspect by biting if a lower level of force could reasonably be expected to control the suspect or allow for the apprehension.
Use of Force	44	Use of Canines	1	In instances where a canine apprehends a suspect by biting, the handler will call the canine off at the first moment the canine can be safely released, taking into account that the average person will struggle if seized or confronted by a canine.
Use of Force	45	Use of Canines	1	Whenever an individual sustains a canine bite, the handler or an on-scene officer shall immediately contact an NOPD dispatcher to request Emergency Medical Services Response. If additional medical attention is required, the individual shall be transported to a medical facility for treatment.
Use of Force	46	Use of Canines	1	For each canine apprehension, the involved handler, as well as all other officers who used or observed force, shall complete a Force Statement before the end of shift. In addition to the information that must be included in all Force Statements, a canine handler's Force Statement documenting a canine apprehension shall include the following: (1) whether there was contact between the canine and the subject, including contact with the subject's clothing; (2) documentation of the duration of the canine's contact with a subject; and (3) the approximate distance of the canine from the handler at time of apprehension. In addition, in all apprehensions where there is canine contact, visible injury to a suspect, or a complaint of injury, an uninvolved supervisor shall be summoned to the scene for the purpose of completing a Use of Force Report consistent with investigative requirements established under this Agreement.
Use of Force	47	Use of Canines	1	An uninvolved canine supervisor shall evaluate each canine deployment for compliance with NOPD policy and state and federal law, and document this evaluation.
Use of Force	48	Use of Canines	1	NOPD agrees to establish and maintain a canine certification program that ensures that: (1) canines and their handlers demonstrate control and proficiency in specific, widely accepted obedience and criminal apprehension exercises; (2) canines and their handlers receive a minimum of 16 hours of training every four weeks; (3) the trainer keeps detailed records of whether each canine team has met specific control criteria for each control exercise, and what remedial training was given if a canine team was deficient in any area; and (4) the trainer reports all deficiencies to the unit supervisor. The program shall ensure that canines are certified annually by a nationally recognized trainer or organization, and that a canine is not deployed unless its certification is current. NOPD agrees to ensure that the certifying agency's standards are consistent with NOPD policy and standards.

CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Use of Force	49	Use of Canines	1	NOPD agrees to employ the services of a qualified trainer who is capable of providing certified canine training, and who delivers such training and maintains training records in accordance with NOPD policy and this Agreement.
Use of Force	50	Use of Canines	1	NOPD agrees to centrally record and track each canine team's training records, certification records, and health records, regardless of whether individual handlers also maintain records.
Use of Force	51	Use of Canines	1	NOPD agrees to track canine deployments and canine apprehensions, and to calculate and track canine bite ratios on a monthly basis to assess its canine unit and individual canine teams.
Use of Force	52	Use of Canines	1	NOPD agrees to include canine bite ratios as an element of the EWS, and to provide for the review, pursuant to the protocol for that system, of the performance of any handler whose bite ratio exceeds 20 percent during a six-month period, or the entire unit if the unit's bite ratio exceeds that threshold, and to require interventions as appropriate. Canine data and analysis shall be included in NOPD's Use of Force Annual Report.
Use of Force	53	Use of Canines	1	NOPD agrees not to request or use the services of any canine, whether owned by NOPD or any other jurisdiction, without first ensuring that the canine is controllable and otherwise able to meet the standards required by NOPD policy.
Use of Force	54	Electronic Control Weapons	1	Officers shall use ECWs only when such force is necessary to protect the officer, the subject, or another party from physical harm, and other less intrusive means would be ineffective. Officers shall be authorized to use ECWs to control a violent suspect when attempts to subdue the suspect by other tactics have been, or will likely be, ineffective and there is a reasonable expectation that it will be unsafe for officers to approach the suspect within contact range.
Use of Force	55	Electronic Control Weapons	1	Unless doing so would place any person at risk, officers shall issue a verbal warning to the subject that the ECW will be used prior to its use. Where feasible, the officer will defer ECW application for a reasonable time to allow the subject to comply with the warning.
Use of Force	56	Electronic Control Weapons	1	ECWs will not be used where such deployment may cause serious injury or death from situational hazards, including falling, drowning, losing control of a moving vehicle, or igniting a potentially explosive or flammable material or substance, except where lethal force would be permitted.
Use of Force	57	Electronic Control Weapons	1	After one standard ECW cycle (5 seconds), the officer shall reevaluate the situation to determine if subsequent cycles are necessary. Officers shall be trained in the risks of prolonged or repeated ECW exposure, including that exposure to the ECW for longer than 15 seconds, whether due to multiple applications or continuous cycling, may increase the risk of death or serious injury. Officers shall independently justify each cycle used against a subject in written Force Statements.
Use of Force	58	Electronic Control Weapons	1	Officers shall not intentionally activate more than one ECW at a time against a subject.
Use of Force	59	Electronic Control Weapons	1	ECWs shall not be used in drive-stun mode as a pain compliance technique. ECWs shall be used in drive-stun mode only to supplement the probe mode to complete the incapacitation circuit, or as a countermeasure to gain separation between officers and the subject so that officers can consider another force option.
Use of Force	60	Electronic Control Weapons	1	ECWs shall not be used against visibly pregnant women, elderly persons, young children, or visibly frail persons, except where lethal force would be permitted, or where the officer has reasonable cause to believe there is an imminent risk of serious physical injury. Officers shall determine the reasonableness of ECW use based upon all circumstances, including the subject's age, size, physical condition, and the feasibility of lesser force options. Officers shall be trained in the increased risks that ECWs may present to the above-listed vulnerable populations.
Use of Force	61	Electronic Control Weapons	1	ECWs may not be applied to a subject's head, neck, or genitalia, except where lethal force would be permitted, or where the officer has reasonable cause to believe there is an imminent risk of serious physical injury.
Use of Force	62	Electronic Control Weapons	1	ECWs shall not be used on handcuffed subjects, unless doing so is necessary to prevent them from causing serious physical injury to themselves or others, and if lesser attempts of control have been ineffective.
Use of Force	63	Electronic Control Weapons	1	Officers shall keep ECWs in a weak-side holster to reduce the chances of accidentally drawing and/or firing a firearm.
Use of Force	64	Electronic Control Weapons	1	Officers shall receive annual ECW certifications, which should consist of physical competency; weapon retention; NOPD policy, including any policy changes; technology changes; and scenario-based training.
Use of Force	65	Electronic Control Weapons	1	Officers shall be trained in and follow protocols developed by NOPD, in conjunction with medical professionals, on their responsibilities following ECW use, including: a) the removal of ECW probes, including requiring medical or specially trained NOPD personnel to remove probes that are embedded in a subject's skin, except for probes that are embedded in a subject's head, throat, groin, or other sensitive area, which should be removed by medical personnel only; b) the risk of positional asphyxia, and training officers to use a restraint technique that does not impair the subject's respiration following an ECW application; c) the transportation to a hospital for evaluation of all subjects who: have been exposed to prolonged application (more than 15 seconds); are members of one of the vulnerable populations listed above; or had an ECW used against them in circumstances presenting a heightened risk of harm, such as subjects under the influence of drugs and/or exhibiting symptoms associated with excited delirium; or were kept in prone restraint after ECW use; and d) the monitoring of all subjects who have received ECW application while in police custody.
Use of Force	66	Electronic Control Weapons	1	Officers shall report all ECW discharges (except for training discharges), laser painting, and/or arcing of weapons to their supervisor and the communications command center as soon as possible.
Use of Force	67	Electronic Control Weapons	2	NOPD agrees to develop and implement integrity safeguards on the use of ECWs to ensure compliance with NOPD policy, including conducting random and directed audits of ECW deployment data. The audits should compare the downloaded data to the officer's Force Statement. Discrepancies within the audit should be addressed and appropriately investigated.

CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Use of Force	68	Electronic Control Weapons	1	NOPD agrees to include the number of ECWs in operation, and the number of ECW uses, as elements of the EWS. Analysis of this data shall include a determination of whether ECWs result in an increase in the use of force, and whether officer and subject injuries are affected by the rate of ECW use. In addition, the analysis shall include laser painting and arcing of weapons to measure the prevention/deterrence effectiveness associated with the use of ECWs. ECW data and analysis shall be included in NOPD's Use of Force Annual Report.
Use of Force	69	Oleoresin Capsicum Spray	1	NOPD agrees to prohibit the use or possession of Oleoresin Capsicum Spray by on-duty officers, including officers working secondary employment.
Use of Force	70	SWAT Teams	1	The mission of the Special Operation Division's Tactical Platoons (currently known as "SWAT" Teams) shall be limited to providing a specialized response to critical situations where a tactical response is required, such as hostage rescue, barricaded subjects, high-risk warrant service and high-risk apprehension, and terrorism response. The policy shall prohibit SWAT tactics and equipment from being deployed or used for routine or "proactive" patrol functions or crime prevention, or for the service of non-high-risk warrants, unless approved in writing by a Deputy Superintendent. This provision does not prohibit SWAT Team members from providing uniformed policing services.
Use of Force	71	SWAT Teams	1	NOPD agrees to provide written guidance on what types of warrants may be considered "high-risk," and what tactics are permissible for the service of high-risk warrants. Barring emergency circumstances, the SWAT Team shall have the primary responsibility for execution of any high-risk warrant utilizing tactical team officers equipped with special equipment, training, and weapons.
Use of Force	72	SWAT Teams	1	In addition to any Use of Force Reports, the SWAT Team shall document its activities in detail, including by preparing written operational plans in consistent formats, and written after-action reports subsequent to call-outs and deployments to critical situations, such as hostage rescue, barricaded subjects, high-risk warrant service, high-risk apprehension, and terrorism response. After-action reports shall address any areas of concern related to policy, training, equipment, or tactics.
Use of Force	73	SWAT Teams	1	Supervisory review of SWAT Team deployments shall be conducted by an uninvolved, command-level supervisor possessing the requisite knowledge and expertise to analyze and critique specialized response protocols, and shall identify any policy, training, equipment, or tactical concerns raised by the action. Command staff shall identify areas of concern or particular successes, and shall implement the appropriate response, including modifications to policy, training, equipment, or tactics.
Use of Force	74	SWAT Teams	1	PARAGRAPH STRIKEN
Use of Force	75	SWAT Teams	1	NOPD agrees to track and analyze the number of SWAT Team deployments. The analysis shall include the reason for each activation, the legal authority, type of warrant (if applicable), and the result of each deployment, including: (1) the location; (2) the number of arrests; (3) the type of evidence or property seized; (4) whether a forcible entry was required; (5) whether a weapon was discharged by a SWAT Team member; and (6) whether a person or domestic animal was injured or killed. This data analysis shall be entered into the EWS and included in NOPD's annual Use of Force Report.
Use of Force	76	Use of Force Reporting Policy and Use of Force Report	1	NOPD agrees to develop and implement a uniform reporting system pursuant to a Use of Force Reporting policy, using a uniform supervisor Use of Force Report, which will include individual officer Force Statements. NOPD uses of force shall be divided into four levels: a) Level 1 uses of force include pointing a firearm at a person and hand control or escort techniques (e.g., elbow grip, wrist grip, or shoulder grip) applied as pressure point compliance techniques or that result in injury or complaint of injury. b) Level 2 uses of force include use of an ECW (including where an ECW is fired at a person but misses); use of an impact weapon to strike a person but where no contact is made; use of a baton for non-striking purposes (e.g., prying limbs, moving or controlling a person); and weaponless defense techniques (e.g., elbow strikes, kicks, leg sweeps, and takedowns). c) Level 3 uses of force include any strike to the head (except for a strike with an impact weapon); use of impact weapons where contact is made (except to the head), regardless of injury; or the destruction of an animal. d) Level 4 uses of force include all serious uses of force, as defined by this Agreement, and shall be investigated by NOPD's Force Investigation Team.
Use of Force	77	Use of Force Reporting Policy and Use of Force Report	1	Hand control or escort techniques applied for the purposes of handcuffing or escorts that are not used as pressure point compliance techniques, do not result in injury or complaint of injury, and are not used to overcome resistance, are not reportable uses of force.
Use of Force	78	Use of Force Reporting Policy and Use of Force Report	1	All officers using a Level 1 through 4 use of force, and officers observing a Level 2, Level 3, or Level 4 use of force, shall write a Force Statement before the end of shift, which shall be included in the Use of Force Report. The officer's Force Statement shall include: (1) a detailed account of the incident from the officer's perspective; (2) the reason for the initial police presence; (3) a specific description of the acts that led to the use of force; (4) the level of resistance encountered; and (5) a description of every type of force used.
Use of Force	79	Use of Force Reporting Policy and Use of Force Report	1	Officers' Force Statements shall completely and accurately describe the force used or observed. The use of force reporting policy shall explicitly prohibit the use of conclusory statements without supporting detail, including "boilerplate" or "pat" language (e.g., "furtive movement" or "fighting stance") in all statements and reports documenting use of force. Officers shall be subject to disciplinary action for material omissions or inaccuracies in their Force Statements.
Use of Force	80	Use of Force Reporting Policy and Use of Force Report	1	Officers who use or observe force shall notify their supervisors immediately following any use of force incident or upon receipt of an allegation of unreasonable or unreported use of force by any officer. Officers who use or observe force and fail to report it shall be subject to disciplinary action, up to and including termination.
Use of Force	81	Use of Force Reporting Policy and Use of Force Report	1	Use of Force Reports, including Force Statements, shall be maintained centrally by PIB.

CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Use of Force	82	Use of Force Reporting Policy and Use of Force Report	1	At least annually, NOPD agrees to analyze the year's force data, including the force-related outcome data listed in section XIX.C. below, to determine significant trends; identify and correct deficiencies revealed by this analysis; and document its findings in a public report.
Use of Force	83	Use of Force Supervisory Investigations	2	The direct supervisor of the officer using a Level 1 use of force shall review and approve in writing the Level 1 use of force before the end of the shift during which the Level 1 force was used. Supervisors shall elevate and investigate any use of force that appears to have been inappropriately categorized as a Level 1 use of force.
Use of Force	84	Use of Force Supervisory Investigations	1	The direct supervisor of the officer(s) using force, upon notification of a Level 2, Level 3, or Level 4 use of force incident or allegation of excessive force, shall respond to the location of occurrence. The direct supervisor of the officer(s) involved in the reportable use of force incident shall investigate all uses of force, with the exception of: a) those incidents involving a serious use of force (Level 4 uses of force); b) uses of force indicating apparent criminal conduct by an officer, as defined in this Agreement; c) a use of force incident by NOPD personnel of a rank higher than the supervisor assigned to investigate the incident; or d) a use of force investigation reassigned to FIT by the Superintendent or his designee or PIB.
Use of Force	85	Use of Force Supervisory Investigations	1	A supervisor who was involved in a reportable incident, including by participating in or ordering the force being investigated, shall not investigate the incident or review the Force Statements for approval.
Use of Force	86	Use of Force Supervisory Investigations	1	For all Level 2 and Level 3 uses of force, the investigating supervisor shall: a) respond to the scene, examine the subject of the force for injury, interview the subject for complaints of pain after advising the subject of his/her rights, and ensure that the subject receives medical attention from an appropriate medical provider; b) notify PIB immediately of the use of force and obtain a use of force tracking number; c) identify and collect all relevant evidence and evaluate that evidence to determine whether the use of force: (1) was consistent with NOPD policy and/or (2) raises any policy, training, tactical, or equipment concerns; d) ensure that all evidence to establish material facts related to the use of force, including audio and video recordings, photographs, and other documentation of injuries or the absence of injuries is collected; e) ensure that a canvass for, and interview of, civilian witnesses is conducted. In addition, civilian witnesses should be encouraged to provide and sign a written statement in their own words; f) ensure that all officers witnessing a use of force incident by another officer provide a Force Statement. Officers involved in a use of force incident shall be separated until interviewed. Group interviews shall be prohibited. Supervisors shall ensure that all Use of Force Reports identify all officers who were involved in the incident, witnessed the incident, or were on the scene when it occurred. Supervisors shall not ask officers or other witnesses leading questions that improperly suggest legal justifications for the officers' conduct, where such questions are contrary to appropriate law enforcement techniques. Investigating supervisors shall record all interviews with civilian witnesses and all follow-up interviews with officers, and shall record all interviews with subjects, after advising them of their rights and that they seek to question them only about the use of force. The recording requirements set out in Custodial Interrogations do not apply to subject interviews regarding the use of force. g) review all Force Statements and ensure that all reports include the information required by this Agreement and NOPD policy; and h) consider all relevant evidence, including circumstantial, direct, and physical evidence, as appropriate, and make credibility determinations, if feasible. Supervisors will make all reasonable efforts to resolve material inconsistencies between the officer, subject, and witness statements, as well as inconsistencies between the level of force claimed by the officer and the subject's injuries. NOPD will train all of its supervisors on the factors to consider when evaluating credibility, incorporating credibility instructions provided to jurors. Where a reasonable and trained supervisor would determine that there may have been misconduct, the supervisor shall immediately notify FIT to respond to the scene.
Use of Force	87	Use of Force Supervisory Investigations	1	Each supervisor shall provide a written gist to the Division Commander by the end of the shift documenting the supervisor's preliminary determination of the appropriateness of the use of force, including whether the force was reasonable and within policy; whether the injuries appear proportionate to the use of force described; and summaries of subject, witness, and officer statements.

CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Use of Force	88	Use of Force Supervisory Investigations	1	Each supervisor shall complete and document a use of force supervisory investigation using a supervisor's Use of Force Report within 72 hours of learning of the use of force. Any extension to this 72-hour deadline must be authorized by a Division Commander. This Report shall include: a) the supervisor's narrative description of the incident, including a precise description of the evidence that either justifies or fails to justify the officer's conduct based on the supervisor's independent review of the facts and circumstances of the incident; b) documentation of all evidence that was gathered, including names, phone numbers, and addresses of witnesses to the incident. In situations in which there are no known witnesses, the report shall specifically state this fact. In situations in which witnesses were present but circumstances prevented the author of the report from determining the identification, phone number or address of those witnesses, the report shall state the reasons why. The report should also include all available identifying information for anyone who refuses to provide a statement; c) the names of all other NOPD employees witnessing the use of force; d) the investigating supervisor's evaluation of the use of force, based on the supervisor's review of the evidence gathered, including a determination of whether the officer's actions appear to be within NOPD policy and consistent with state and federal law; and an assessment of the incident for tactical and training implications, including whether the use of force may have been avoided through the use of de-escalation techniques or lesser force options; and e) documentation of any non-disciplinary corrective action taken.
Use of Force	89	Use of Force Supervisory Investigations	1	Upon completion of the supervisor's Use of Force Report, the investigating supervisor shall forward the report through their chain of command to the ICO (if applicable) and/or Division Commander, who shall review the report to ensure that it is complete and that the findings are supported using the preponderance of the evidence standard. The Division Commander and/or ICO shall order additional investigation when it appears that there is additional relevant evidence that may assist in resolving inconsistencies or improve the reliability or credibility of the findings.
Use of Force	90	Use of Force Supervisory Investigations	1	Where the findings of the Use of Force Report are not supported by a preponderance of the evidence, the investigating supervisor's chain of command shall document the reasons for this determination and shall include this documentation as an addendum to the original investigation. The investigating supervisor's superior shall counsel the investigating supervisor regarding the inadequately supported determination and of any investigative deficiencies that led to it. The Division Commander and/or ICOs shall be responsible for the accuracy and completeness of Use of Force Reports prepared by supervisors under their command.
Use of Force	91	Use of Force Supervisory Investigations	1	Where an investigating supervisor repeatedly conducts deficient investigations, the supervisor shall receive the appropriate corrective action, including training, demotion, and/or removal from a supervisory position in accordance with performance evaluation procedures and/or Civil Service Rules.
Use of Force	92	Use of Force Supervisory Investigations	1	Whenever an investigating supervisor, reviewing supervisor, ICO, or Division Commander finds evidence of a use of force indicating apparent criminal conduct by an officer, he or she shall suspend the force investigation immediately and notify PIB. PIB shall immediately notify FIT, which will take over the investigation.
Use of Force	93	Use of Force Supervisory Investigations	1	When the Division Commander finds that the investigation is complete and the findings are supported by the evidence, the investigation file shall be forwarded to PIB. PIB shall review the investigation to ensure that it is complete and that the findings are supported by the evidence.
Use of Force	94	Use of Force Supervisory Investigations	1	At the discretion of the Superintendent, his designee, or PIB, a use of force investigation may be assigned or re-assigned for investigation to FIT or to another supervisor, whether within or outside of the District in which the incident occurred, or may be returned to the Unit for further investigation or analysis. This assignment or re-assignment shall be explained in writing.
Use of Force	95	Use of Force Supervisory Investigations	1	Where, after investigation, a use of force is found to be out of policy, the Superintendent shall direct and ensure appropriate discipline. Where the use of force indicates policy, training, tactical, or equipment concerns, the Superintendent shall ensure also that necessary training is delivered and that policy, tactical, or equipment concerns are resolved.
Use of Force	96	Force Investigation Team	1	NOPD agrees to establish a single, uniform reporting and investigation/review system for all Level 4 uses of force (i.e., serious uses of force, including critical firearm discharges), as defined by this Agreement.

CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Use of Force	97	Force Investigation Team	2	NOPD agrees to ensure that all serious uses of force are investigated fully and fairly by individuals with appropriate expertise, independence, and investigative skills to ensure that uses of force that are contrary to law or policy are identified and appropriately resolved; that policy, training, equipment, or tactical deficiencies related to the use of force are identified and corrected; and that investigations of sufficient quality to ensure that officers are held accountable, as necessary, are conducted. To achieve this outcome, NOPD agrees to: a) create a FIT to conduct investigations of serious uses of force, uses of force indicating apparent criminal conduct by an officer, uses of force by NOPD personnel of a rank higher than sergeant, or uses of force reassigned to FIT by the Superintendent or his designee or PIB. FIT also shall investigate all instances where an individual has died while in, or as an apparent result of being in, the custody of NOPD. FIT shall be comprised of personnel who are specially trained in both criminal and administrative force investigations. Members of FIT shall be assigned to PIB and shall not be assigned to any District. FIT investigations may result in criminal charges, administrative action, or both. b) Within 280 days from the Effective Date, NOPD agrees to recruit, assign, and train a sufficient number of personnel to FIT to fulfill the requirements of this Agreement. Prior to performing FIT duties, FIT members shall receive 40 hours of FIT-specific training in FIT procedures; call out and investigative protocols; proper roles of on-scene counterparts such as crime scene technicians, the Monitor, the DA, the IPM, and the City Attorney's Office; and investigative equipment and techniques. FIT members shall also receive FIT-specific annual in-service training. c) NOPD agrees to create a FIT procedural manual. The procedural manual shall include: (1) definitions of all relevant terms; (2) clear statements of the mission and authority of FIT; (3) procedures on report writing; (4) procedures for collecting and processing evidence; (5) procedures to ensure appropriate separation of criminal and administrative investigations in the event of compelled subject officer statements; (6) procedures for consulting with the DA, including ensuring that administrative investigations are not unnecessarily delayed while a criminal investigation is pending; (7) scene management procedures; and (8) management procedures.
Use of Force	98	Force Investigation Team	1	Where appropriate to ensure the fact and appearance of impartiality, for investigations of serious uses of force or force indicating apparent criminal conduct by an officer, NOPD may refer the incident for investigation by an independent and highly competent entity outside NOPD.
Use of Force	99	Force Investigation Team	1	NOPD's Homicide Section shall not investigate any NOPD officer-involved serious use of force as defined by this Agreement, or any in-custody death.
Use of Force	100	Force Investigation Team	1	In every incident involving a serious use of force, or any use of force indicating apparent criminal conduct by an officer, the supervisor shall immediately notify FIT. Unless it can verify that the supervisor has already done so, FIT shall immediately notify PIB of the use of force and obtain a use of force tracking number.
Use of Force	101	Force Investigation Team	1	FIT shall respond to the scene of every incident involving a serious use of force; any use of force indicating apparent criminal conduct by an officer; any use of force by an officer of a rank higher than sergeant; and any incident where an individual has died while in, or as an apparent result of being in, the custody of NOPD, or as ordered by the Superintendent or his designee or PIB.
Use of Force	102	Force Investigation Team	1	The Commander of PIB shall immediately notify and consult with the DA, IPM, FBI, and the USAO regarding any use of force indicating apparent criminal conduct by an officer, evidence of apparent criminal conduct by an officer discovered during a misconduct investigation, any use of force in which an officer discharged his firearm, or where an individual has died while in, or as an apparent result of being in, the custody of NOPD.
Use of Force	103	Force Investigation Team	1	If the case may proceed criminally, or where NOPD requests a criminal prosecution, any compelled interview of the subject officers shall be delayed. No other part of the investigation shall be held in abeyance unless specifically authorized by the Superintendent in consultation with the agency conducting the criminal investigation.
Use of Force	104	Force Investigation Team	1	NOPD agrees to make good faith efforts to work with the Orleans Parish Coroner's Office in requesting that that Office provide a completed Coroner's report within 30 days regarding a death proximate to a use of force and with the DA or other investigating agency regarding any criminal declination within 60 days after the use of force.

CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Use of Force	105	Force Investigation Team	2	In conducting its investigation, FIT shall: a) review all Force Statements to ensure that these statements include the information required by this Agreement and NOPD policy; b) respond to the scene, examine the subject for injury, interview the subject for complaints of pain after advising the subject of his or her rights, and ensure that the subject receives medical attention from an appropriate medical provider; c) ensure that all evidence to establish material facts related to the use of force, including but not limited to audio and video recordings, photographs, and other documentation of injuries or the absence of injuries is collected; d) ensure that a canvass for, and interview of, civilian witnesses is conducted. In addition, civilian witnesses should be encouraged to provide and sign a written statement in their own words; e) ensure, consistent with applicable law, that all officers witnessing a serious use of force incident by another officer provide a Force Statement regarding the incident. Officers involved in a use of force incident shall be separated until interviewed. Group interviews shall be prohibited. FIT shall ensure that all FIT investigation reports identify all officers who were involved in the incident, witnessed the incident, or were on the scene when it occurred. FIT shall not ask officers or other witnesses leading questions that improperly suggest legal justifications for the officers' conduct, when such questions are contrary to appropriate law enforcement techniques. FIT shall record all interviews; and f) consider all relevant evidence, including circumstantial, direct, and physical evidence, as appropriate, and make credibility determinations, if feasible. FIT will make all reasonable efforts to resolve material inconsistencies between the officer, subject, and witness statements, as well as inconsistencies between the level of force claimed by the officer and the subject's injuries. NOPD will train all of its FIT members on the factors to consider when evaluating credibility, incorporating credibility instructions provided to jurors.
Use of Force	106	Force Investigation Team	1	FIT shall complete a preliminary report that shall be presented to the Superintendent or the Superintendent's designee as soon as possible, but in no circumstances later than 24 hours after learning of the use of force.
Use of Force	107	Force Investigation Team	2	FIT shall complete its administrative use of force investigation within 30 days from the use of force. Any request for an extension to this time limit must be approved by the Deputy Superintendent of PIB through consultation with the Superintendent. At the conclusion of each use of force investigation, FIT shall prepare an investigation report. The report shall include: a) a narrative description of the incident, including a precise description of the evidence that either justifies or fails to justify the officer's conduct based on FIT's independent review of the facts and circumstances of the incident; b) documentation of all evidence that was gathered, including names, phone numbers, and addresses of witnesses to the incident. In situations in which there are no known witnesses, the report shall specifically state this fact. In situations in which witnesses were present but circumstances prevented the author of the report from determining the identification, phone number, or address of those witnesses, the report shall state the reasons why. The report should also include all available identifying information for anyone who refuses to provide a statement; c) the names of all other NOPD employees witnessing the use of force; d) FIT's evaluation of the basis for the use of force, based on FIT's review of the evidence gathered, including a determination of whether the officer's actions appear to be within OPD policy and consistent with state and federal law; and an assessment of the incident for tactical and training implications, including whether the use of force may have been avoided through the use of de-escalation techniques or lesser force options; e) if a weapon was used, documentation that the officer's certification and training for the weapon are current; and f) documentation of any disciplinary and/or non-disciplinary corrective action recommended.

The officer(s) who used the force subject to investigation, or who are otherwise the subject(s) of the FIT investigation, shall not be present; c) order additional investigation when it appears that there is additional relevant evidence that may assist in resolving inconsistencies or improve the reliability or credibility of the findings. Where the findings are not supported by a preponderance of the evidence, the UFRB shall document the reasons for this determination, which shall be included as an addendum to the original investigation, including the specific evidence or analysis supporting their conclusions; d) determine whether the force violated NOPD policy. If the force violated NOPD policy, the UFRB shall refer it to PIB for disciplinary action; e) determine whether the incident raises policy, training, equipment, or tactical concerns, and refer such incidents to the appropriate unit within NOPD to ensure they are resolved; f) direct District supervisors to take and document non-disciplinary corrective action to enable or encourage an officer to improve his or her performance; and g) document its findings and recommendations in a UFRB Report within 45 days of receiving the FIT investigation and within 15 days of the UFRB case presentation.

Crisis Intervention Team	115	CIT and First Responder Training	1	Within three years of the Effective Date, NOPD shall train at least 20% of its patrol division in the CIT program to ensure that NOPD can provide a CIT-trained officer in each shift in each District.
Crisis Intervention Team	116	CIT and First Responder Training	1	Within 270 days of the Effective Date, a curriculum subcommittee of the Planning Committee shall develop a 40-hour curriculum and in-service training for first responders based on the national CIT model. The curriculum subcommittee may adapt MCTU's existing training curriculum for this purpose. CIT training faculty should include volunteer local area professionals and advocates to the greatest extent possible. This crisis intervention training shall emphasize mental health-related topics, crisis resolution skills, de-escalation training, and access to community-based services.
Crisis Intervention Team	117	CIT and First Responder Training	1	Training for all newly selected CIT officers shall begin within 365 days of the Effective Date and shall be completed within three years. This training shall include not only lecture-based instruction, but also on-site visitation and exposure to mental health facilities, intensive interaction with individuals with a mental illness, and scenario-based de-escalation skills training.
Crisis Intervention Team	118	CIT and First Responder Training	1	In addition to the more extensive training for CIT officers set out above, NOPD agrees to provide all new recruits at least 16 hours of training on responding to persons in behavioral or mental health crisis, and four hours of in-service training annually thereafter. NOPD and the City further agree to provide all current officers with eight hours of training on responding to persons in behavioral or mental crisis within 365 days of the Effective Date, and four hours of in-service training annually thereafter.
Crisis Intervention Team	119	CIT and First Responder Training	1	Within 365 days of the Effective Date, NOPD agrees to offer the 40-hour crisis intervention training to all new and current dispatchers to enable them to identify calls for service that involve behavioral or mental health crisis events. NOPD agrees to offer to provide this training to new dispatchers within 90 days of their start date. NOPD agrees to offer crisis intervention in annual in-service training for dispatchers.
Crisis Intervention Team	120	Maintenance of CIT Program	1	NOPD agrees to maintain the CIT Planning Committee after the CIT program is operational. The Planning Committee shall serve as a problem-solving forum for interagency issues and shall monitor ongoing outcome indicators collected by each agency. These indicators may include data such as NOPD CIT use, NOPD CIT behavioral event disposition data, Orleans Parish Prison booking data, the number of individuals with a mental health diagnosis at the jail, and the transfer of custody and voluntary referral rates between NOPD, emergency receiving facilities, and community agencies.
Crisis Intervention Team	121	Maintenance of CIT Program	1	NOPD agrees to review the outcome data generated through the process described above to: determine whether to recognize individual CIT officer performance that deserves commendation; develop new response strategies for repeat calls for service; identify training needs for the annual CIT in-service; make CIT curriculum changes; and identify other NOPD issues to allow NOPD to provide an appropriate response to a behavioral crisis event.

Stops, Searches, and Arrests	123	Investigatory Stops and Detentions	2	NOPD officers shall use accurate and specific descriptive language and not rely solely on "boilerplate" or "pat" language in any reports documenting investigatory stops, detentions, or searches. Articulation of reasonable suspicion and probable cause shall be specific and clear.
Stops, Searches, and Arrests	124	Investigatory Stops and Detentions	1	NOPD officers shall not use or rely on information known to be materially false or incorrect in effectuating an investigatory stop or detention.
Stops, Searches, and Arrests	125	Investigatory Stops and Detentions	2	NOPD officers shall not use race, color, ethnicity, national origin, religion, gender, disability, sexual orientation, or gender identity as a factor, to any extent or degree, in establishing reasonable suspicion or probable cause, except as part of an actual and apparently credible description of a specific suspect or suspects in any criminal investigation.
Stops, Searches, and Arrests	126	Investigatory Stops and Detentions	2	NOPD officers shall continue to require reasonable suspicion to conduct field interviews, and document investigatory field contacts, including field interviews, in accordance with the stop and search data collection requirements of this Agreement.
Stops, Searches, and Arrests	127	Searches	2	NOPD officers shall not use race, color, ethnicity, national origin, religion, gender, disability, sexual orientation, or gender identity in exercising discretion to conduct a warrantless search or to seek a search warrant, except as part of an actual and apparently credible description of a specific suspect or suspects in any criminal investigation.

Stops, Searches, and Arrests	129	Searches	2	Where an officer seeks consent for a search, the officer shall affirmatively inform the subject of his or her right to refuse and to revoke consent at any time, and document the subject's consent on a written form that explains these rights.

CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Stops, Searches, and Arrests	130	Searches	2	NOPD officers shall only conduct searches of individuals on probation or parole where legal authority for the search has been established.
Stops, Searches, and Arrests	131	Searches	1	NOPD agrees to ensure that the consent to search form includes separate signature lines for civilians to affirm that they understand they have a right to refuse, and for officers to certify that they have read and explained the right to refuse to the civilian.
Stops, Searches, and Arrests	132	Searches	1	NOPD agrees to ensure that officers understand how strip and body cavity searches are different than regular searches and are trained on how to conduct proper field strip searches. NOPD shall ensure that field strip searches of arrestees are performed only in the rarest of circumstances where the life of officers or others may be placed at risk, under conditions that provide privacy, and with the explicit approval of a supervisory officer. NOPD agrees to ensure that strip searches are only performed when the officer has articulable probable cause that a subject is concealing a weapon or contraband.
Stops, Searches, and Arrests	133	Searches	1	When approval to conduct a strip search is requested, the supervisor shall immediately respond to the scene to approve the strip search. In situations where strip searches are legally justified, necessary under NOPD policy, and authorized by a supervisor, the search shall be conducted in a professional manner by trained personnel; include the least number of personnel necessary; be performed only by those of the same sex as the identified sex of the individual; and under conditions that provide privacy from all but those authorized to conduct the search.
Stops, Searches, and Arrests	134	Searches	1	NOPD agrees to ensure that body cavity searches are performed only after obtaining a search warrant and by specially trained medical personnel.
Stops, Searches, and Arrests	135	Searches	1	An affidavit or sworn declaration supporting an application for a search warrant shall provide an accurate and clear description of the reasons for the request for the search, the place or thing to be searched, and items or possible evidence that are the purpose of the search.
Stops, Searches, and Arrests	136	Searches	1	A supervisor shall review each request for a search or arrest warrant, including each affidavit or declaration, before it is filed by an officer in support of a warrant application, for appropriateness, legality, and conformance with NOPD policy and this Agreement. The supervisor shall assess the information contained in the warrant application and supporting documents for authenticity, including an examination for "boilerplate" or "pat" language, inconsistent information, and lack of articulation of a legal basis for the warrant.
Stops, Searches, and Arrests	137	Searches	2	As part of the supervisory review, the supervisor shall document in an auditable format those warrant applications that are legally unsupported, are in violation of NOPD policy or this Agreement, or that indicate a need for corrective action or review of agency policy, strategy, tactics, or training. The supervisor shall take appropriate action to address violations or deficiencies, including recommending non-disciplinary corrective action for the involved officer, and/or referring the incident for administrative or criminal investigation. The quality and accuracy of search warrants and supportive affidavits or declarations shall be taken into account in officer performance evaluations.
Stops, Searches, and Arrests	138	Searches	2	A supervisor shall assist in developing an operational plan for the execution of a search warrant, be present for execution of the search warrant, and review and document the search in an after-action report within 24 hours of the execution of the warrant.
Stops, Searches, and Arrests	139	Searches	1	NOPD officers shall not detain non-occupants present at the location where a search warrant is executed for longer than reasonably necessary to secure the area, or to determine whether they are occupants of the premises being searched, or where the officer has individualized reasonable suspicion that the non-occupant is involved in criminal activity or poses a danger to officer safety.
Stops, Searches, and Arrests	140	Searches	2	NOPD shall maintain, centrally and in each NOPD District and specialized unit, a log listing each search warrant, the case file where a copy of such warrant is maintained, the officer who applied for the search warrant, and each supervisor who reviewed the application for a search warrant.

Stops, Searches, and Arrests	142	Arrests	2	In effectuating an arrest, NOPD officers shall not rely on information known to be materially false or incorrect. Officers may not consider race, color, ethnicity, national origin, religion, gender, disability, sexual orientation, or gender identity in effecting an arrest, except as part of an actual and apparently credible description(s) of a specific suspect or suspects in any criminal investigation.
Stops, Searches, and Arrests	143	Arrests	2	An officer shall immediately notify a supervisor when effectuating a felony arrest; an arrest where the officer used force; an arrest for obstructing or resisting an officer; a custodial arrest where the most serious violation was a vehicle infraction, simple drug possession, or, outside the French Quarter and Central Business District, any of the following city or state laws: Disturbing the Peace (City Code 54-103; LSA-R S. 14:103); Criminal Trespass (City Code 54-153; LSA-R.S. 14:63); Obstructing Public Passages (City Code 54-40; LSA-R S. 14:100.1); or Begging/Vagrancy (City Code 54-411; 14:107). CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Stops, Searches, and Arrests	145	Arrests	1	NOPD patrol officers shall complete all arrest reports before the end of shift. NOPD field supervisors shall review each arrest report of officers under their command and shall memorialize their review in writing within 12 hours of receiving the report, absent exceptional circumstances. Supervisors shall review reports and forms for "boilerplate" or "pat" language, inconsistent information, lack of probable cause, or other indications that the information in the reports or forms is not authentic or correct.
Stops, Searches, and Arrests	146	Arrests	2	As part of the supervisory review, the supervisor shall document in an auditable format those arrests that are unsupported by probable cause, are in violation of NOPD policy or this Agreement, or that indicate a need for corrective action or review of agency policy, strategy, tactics, or training. The supervisor shall take appropriate action to address violations or deficiencies in making arrests, including recommending non-disciplinary corrective action for the involved officer, and/or referring the incident for administrative or criminal investigation. For each subordinate, the supervisor shall track each violation or deficiency and the corrective action taken, to identify officers needing repeated corrective action. The supervisor shall ensure that each violation or deficiency is noted in the officer's performance evaluations. The quality of these supervisory reviews shall be taken into account in the supervisor's own performance evaluations. The commander's review shall be completed within seven days of receiving the document reporting the event. The commander shall evaluate the corrective action and recommendations in the supervisor's written report and ensure that all appropriate corrective action is taken, including referring the incident to PIB for investigation, if appropriate.
Stops, Searches, and Arrests	148	Arrests	2	NOPD shall track centrally and at the District level the DA's acceptance and refusal rates of arrests made by NOPD and reasons for refusals, when made available by the DA, including those factors and information indicating that a failure to prosecute was due to the quality of officer arrests or concerns regarding officer conduct. Each District Commander shall be held accountable for referring to PIB for investigation any information regarding specific incidents of possible officer misconduct related to officer arrests noted in the DA's refusal reasons.
Stops, Searches, and Arrests	149	Stop and Search Data Collection and Review	2	Within 270 days of the Effective Date, NOPD shall develop a written or electronic report format to collect data on all investigatory stops and searches, whether or not they result in an arrest or issuance of a citation. This system shall allow for summarization and searches and also shall be integrated into the EWS. NOPD's stop and search data collection system shall be subject to the review and approval of the Monitor and DOJ, and shall require officers to document the following: a) officer's name and badge number; b) date and time of the stop; c) location of the stop; d) duration of the stop; e) subject's apparent race, ethnicity, gender, and apparent age; f) if a vehicle stop, presence and number of any passengers and the apparent race, ethnicity, gender, and age of each passenger; if a non-vehicle stop (e.g., pedestrian or bicycle), number of individuals stopped and the apparent race, ethnicity, gender, and age of each person; g) reason for the stop, including a description of the facts creating reasonable suspicion; h) if a vehicle stop, whether the driver or any passenger was required to exit the vehicle, and reason; i) whether any individual was asked to consent to a search and whether such consent was given; j) whether a probable cause search was performed on any individual, including a brief description of the facts creating probable cause; k) whether a pat-and-frisk or other search was performed on any individual, including a description of the facts justifying the pat-and-frisk or other search; l) whether any contraband or evidence was seized from any individual, and nature of the contraband or evidence; and m) disposition of the stop, including whether a citation or summons was issued to, or an arrest was made of, any individual.
Stops, Searches, and Arrests	150	Stop and Search Data Collection and Review	2	Officers shall document investigatory stops and detentions, and any searches resulting from or proximate to the stop or detention. In all instances where property or evidence is seized, the officer shall immediately complete a police incident report documenting a complete and accurate inventory of the property or evidence seized, and submit the property or evidence seized to Central Property and Evidence before the end of shift. All documentation of stops, detentions, searches, and seizures shall be submitted to the officer's supervisor by the end of shift. Absent exceptional circumstances, field supervisors shall review investigatory stops and detention or search reports by field officers within 12 hours of receiving this report. Supervisors shall report and shall document: (1) those investigatory stops and detentions that appear unsupported by reasonable suspicion; (2) those searches that appear to be without legal justification; (3) stops or searches in violation of NOPD policy or this Agreement, or (4) stops or searches that indicate a need for corrective action or review of agency policy, strategy, tactics, or training.
Stops, Searches, and Arrests	151	Stop and Search Data Collection and Review	2	The supervisor shall take appropriate action to address all violations or deficiencies in investigatory stops, detentions, or executions of searches, including recommending non-disciplinary corrective action for the involved officer, and/or referring the incident for administrative or criminal investigation. The supervisor shall ensure that each violation or deficiency is noted in the officer's performance evaluations. The quality and completeness of these supervisory reviews shall be taken into account in the supervisor's own performance evaluations. NOPD shall take appropriate corrective or disciplinary action against supervisors who fail to conduct complete, thorough, and accurate reviews of officers' investigatory detentions and searches.

This protocol shall be subject to the review and approval of the Monitor and DOJ, and shall identify and incorporate appropriate benchmarks for comparison.
Stops, Searches, and Arrests	153	Stop and Search Data Collection and Review	1	On at least an annual basis, NOPD shall issue a report summarizing the stop and search data collected, the analysis of that data, and the steps taken to correct problems and build on successes. The report shall be publicly available.
Stops, Searches, and Arrests	154	Stop and Search Data Collection and Review	1	NOPD shall ensure that all databases containing individual-specific data comply fully with federal and state privacy standards governing personally-identifying information. NOPD shall develop a process to restrict database access to authorized, identified users who are accessing the information for a specific and identified purpose.
Stops, Searches, and Arrests	155	First Amendment Right to Observe and Record Officer Conduct	1	NOPD shall ensure that, in accordance with their rights secured or protected by the Constitution and laws of the United States, onlookers or bystanders may witness, observe, record, and/or comment on officer conduct, including stops, detentions, searches, arrests, or uses of force. Officers shall respect the right of civilians to observe, record, and/or verbally comment on or complain about the performance of police duties occurring in public, and NOPD shall ensure that officers understand that exercising this right serves important public purposes.
Stops, Searches, and Arrests	156	First Amendment Right to Observe and Record Officer Conduct	1	Individuals observing stops, detentions, arrests, and other incidents shall be permitted to remain in the proximity of the incident unless one of the conditions in paragraph 160 is met.

Stops, Searches, and Arrests	160	First Amendment Right to Observe and Record Officer Conduct	1	Officers shall take appropriate law enforcement action against a bystander only if a bystander's presence would jeopardize the safety of the officer, the suspect, others in the vicinity or crime scene integrity; the bystander violates the law; or the bystander incites others to violate the law.
Stops, Searches, and Arrests	161	First Amendment Right to Observe and Record Officer Conduct	1	Officers shall not seize or otherwise coerce production of recorded sounds or images without obtaining a warrant, or order an individual to destroy such recordings. Where an officer has a reasonable belief that a bystander or witness has captured a recording of critical evidence related to a felony, the officer may secure such evidence for no longer than required to obtain a legal subpoena, search warrant, or other valid order.
Stops, Searches, and Arrests	162	Stop, Search, and Arrest Training	2	NOPD shall provide all officers with at least 24 hours within 365 days of the Effective Date, and at least four hours on at least an annual basis thereafter, of training on stops, searches, and arrests, including the requirements of this Agreement. CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Custodial Interrogations	163	Interrogation Resctrictions and Equipment	1	Officers shall not use physical violence or make threats to carry out harm to the individual or the individual's family during custodial interrogations.
Custodial Interrogations	164	Interrogation Resctrictions and Equipment	1	All custodial interrogations that take place in a police facility, and all interrogations that involve suspected homicides or sexual assaults, shall be video and audio recorded. All recorded custodial interrogations will be recorded in their entirety. NOPD rejects the concept of a "pre-interview" and prohibits any decision not to record any portion of the interrogation based on such categorization. The recording equipment shall not be turned off unless the suspect states that he/she does not want the interview to be recorded. If the suspect requests that he/she does not want the interview to be recorded, the interviewer will record the subject making this request and shall document this request in the case report.
Custodial Interrogations	165	Interrogation Restrictions and Equipment	1	If the interrogation is not able to be video and audio recorded because of equipment failure or malfunction, detectives shall record the interrogation by means of a digital or cassette recorder. Any equipment failure shall be explained and documented in the case report, the case file, and in a memo to the Deputy Chief of the Investigation & Support Bureau.
Custodial Interrogations	166	Interrogation Resctrictions and Equipment	1	All officers shall maintain in the case file their notes taken during interviews and interrogations.
Custodial Interrogations	167	Interrogation Restrictions and Equipment	1	Within 270 days from the Effective Date, NOPD shall designate interview rooms for all Districts and specialized units, and ensure that interview rooms are equipped with functioning audio and video recording technology that allows for recording and maintenance of all phases of interrogations.
Custodial Interrogations	168	Interrogation Resctrictions and Equipment	1	Within 270 days from the Effective Date, NOPD shall use qualified interpreters for any interrogation of an LEP individual, and Miranda warnings shall be provided to the subject in his or her primary language. Because of the dual role bilingual NOPD employees may have when conducting an interrogation and simultaneously acting as an interpreter, they should only be used as an interpreter during an interrogation if they have identified themselves as officers or employees of the Department, are authorized as NOPD interpreters, and are trained in using interpretation protocols consistent with best practices, as required by this Agreement and NOPD's language assistance policy and plan.
Custodial Interrogations	169	Detective Selection and Interrogation Training	1	NOPD shall post all detective openings throughout the Department and shall revise eligibility criteria for detectives in Districts and specialized units to require appropriate experience, writing samples, supervisor recommendations, and an interview.

Photographic Line-Ups	173	Photographic Line-Ups	1	NOPD agrees to select "filler" photographs—those that do not depict the suspect—of individuals who generally fit the witness's description of the perpetrator. When there is a limited or inadequate description of the perpetrator provided by the witness, or when the description of the perpetrator differs significantly from the appearance of the suspect, fillers should resemble the suspect in significant features.
Photographic Line-Ups	174	Photographic Line-Ups	1	NOPD agrees to keep a complete record of each display procedure and results. The record shall include the time, date, location, identity of the viewing person, photograph numbers, and name of the administrator of the line-up.
Photographic Line-Ups	175	Photographic Line-Ups	2	NOPD agrees to document other information pertinent to the display procedure, including any statements made by the viewing individual and identities of other persons present during the procedure.
Photographic Line-Ups	176	Photographic Line-Ups	2	If a suspect selection is made, NOPD agrees to mark and maintain as evidence the photographs used in the lineup, including a copy of the photo array if one was used. It shall be kept as evidence until the final disposition of the case, at which time it shall become a part of the permanent case file.
8. BIAS FREE				

CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Bias-Free Policing	177	Bias-Free Policing Training	1	NOPD agrees to provide all officers with four hours of comprehensive training on bias-free policing within 365 days of the Effective Date, and four hours annually thereafter, based on developments in Louisiana or federal law and NOPD policy. Such training shall emphasize that discriminatory policing in the form of either selective enforcement or non-enforcement of the law, including the selection or rejection of particular tactics or strategies based upon stereotypes or bias, is prohibited by policy and will subject officers to discipline. This training shall address: a) methods and strategies for more effective policing that rely upon non-discriminatory factors; b) police and community perspectives related to discriminatory policing; c) Constitutional and other legal requirements related to equal protection and unlawful discrimination, including the requirements of this Agreement; d) the protection of civil rights as a central part of the police mission and as essential to effective policing; e) the existence and impact of arbitrary classifications, stereotyping, and implicit bias; f) instruction in the data collection protocols required by this Agreement; g) identification of key decision points where prohibited discrimination can take effect at both the incident and strategic-planning levels; and h) methods, strategies, and techniques to reduce misunderstanding, conflict, and complaints due to perceived bias or discrimination, including problem-oriented policing strategies.
Bias-Free Policing	178	Ensuring Bias-Free Policing	1	NOPD agrees to apply and administer programs, initiatives, and activities without discrimination on the basis of race, color, ethnicity, national origin, religion, gender, disability, sexual orientation, or gender identity.
Bias-Free Policing	179	Ensuring Bias-Free Policing	1	NOPD agrees to provide clear guidance on prohibited conduct, including selective enforcement or non-enforcement of the law and the selection or rejection of particular tactics or strategies based upon stereotypes or bias.
Bias-Free Policing	180	Ensuring Bias-Free Policing	1	NOPD leadership and supervising officers shall consistently reinforce to subordinates that discriminatory policing is an unacceptable tactic, including in making decisions to use particular police tactics in particular communities based upon stereotypes or bias.
Bias-Free Policing	181	Ensuring Bias-Free Policing	1	NOPD agrees to incorporate the following elements in its training of officers: (1) introducing themselves at the initiation of contact with a civilian; (2) stating the reason for a investigatory stop or detention as soon as practicable; (3) ensuring that an investigatory stop or detention is no longer than necessary to take appropriate action; and (4) acting with professionalism and courtesy throughout the interaction regardless of any provocation.
Bias-Free Policing	182	Ensuring Bias-Free Policing	2	Within 365 days of the Effective Date, NOPD agrees to incorporate requirements regarding bias-free policing and equal protection into its hiring, promotion, and performance assessment processes, including giving significant weight to an individual's history of sustained bias-related violations, as well as using interviews and other methods to assess the individual's ability to effectively practice bias-free policing.
Bias-Free Policing	183	Ensuring Bias-Free Policing	1	Within 365 days of the Effective Date, NOPD agrees to develop and implement a plan to provide all individuals within the City essential police services regardless of immigration status, in order to build and preserve trust among community members, and to more effectively prevent and solve crime. As part of this plan: a) Officers shall not take law enforcement action on the basis of actual or perceived immigration status, including the initiation of stops or other field contacts; b) Officers shall not question victims of, or witnesses to, crime regarding their immigration status. Nothing in this provision shall prohibit NOPD from assisting nonimmigrant victims/witnesses in obtaining U-Visa / T-Visas, where appropriate; c) Officers shall not enforce La. R.S.14:100.13, which the Court of Appeals of Louisiana, Fourth Circuit, has found to unlawfully pre-empt federal regulations; and d) NOPD shall seek the assistance of community advocates in widely disseminating to the public, in English and in Spanish, NOPD's written policy incorporating these requirements.
Bias-Free Policing	184	Ensuring Bias-Free Policing	1	NOPD agrees to develop and implement a specific policy to guide officers' interactions with members of the LGBT community, which shall prohibit discrimination based on sexual orientation, gender identity, or gender expression.
Bias-Free Policing	185	Ensuring Bias-Free Policing	1	NOPD agrees that officers will treat LGBT individuals with courtesy, professionalism, and respect, and that officers are specifically prohibited from using harassing, intimidating, or derogatory language regarding or toward LGBT individuals. This shall include addressing transgender individuals with their chosen name, title, and pronoun.
Bias-Free Policing	186	Ensuring Bias-Free Policing	1	NOPD agrees that officers shall not construe sexual orientation, gender identity, or gender expression as reasonable suspicion or probable cause that an individual is or has engaged in any crime, and that officers shall not request identification from or otherwise initiate a contact solely on the basis of sexual orientation or gender identity/expression.
Bias-Free Policing	187	Ensuring Bias-Free Policing	1	NOPD agrees that officers will not subject transgender individuals to more invasive or more frequent frisk procedures due to transgender status. Officers shall not frisk any person for the purpose of determining that person's gender or to view or touch the person's genitals. Where same-gender searches are required by law or NOPD policy, the officer shall respect the gender identification expressed by the individual. Where the individual does not self-identify and the gender identity is not clear to a reasonable person or the officer is uncertain, the officer will take reasonable, non-invasive steps to determine the gender identity, such as asking the individual how the individual would like to be addressed.

CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Bias-Free Policing	188	Ensuring Bias-Free Policing	2	Within 365 days of the Effective Date, and at least annually thereafter, NOPD agrees to assess all NOPD programs, initiatives, and activities to ensure that no program, initiative, or activity is applied or administered in a manner that discriminates against individuals on the basis of race, color, ethnicity, national origin, religion, gender, disability, sexual orientation, or gender identity. As part of its assessment, NOPD agrees to specifically include an assessment of misconduct complaints involving discrimination, use of force, motor vehicle and pedestrian stops, and arrests, including the selection or rejection of particular geographic deployment tactics or strategies based upon stereotypes or bias. NOPD shall base its assessment of programs, initiatives, and activities on accurate, complete, and reliable data, including data contained in the EWS, stop and detention data, use of force analyses, crime trend analysis in relation to population demographics, enforcement practices based on community concerns, operations plans, and after-action reports. NOPD agrees to make this assessment publicly available.
Bias-Free Policing	189	Language Assistance	2	NOPD agrees to effectively communicate with and provide timely and meaningful access to police services to all members of the community, regardless of their national origin or limited ability to speak, read, write, or understand English. All interventions will be documented in writing and entered into the automated system; e) specify that the decision to order an intervention for an employee or group using EWS data shall include peer group analysis, including consideration of the nature of the employee's assignment and appropriate thresholds, and not solely on the number or percentages of incidents in any category of information recorded in the EWS; f) prompt review by NOPD commanders and supervisors of the EWS system records of all officers upon transfer to their supervision or command; g) evaluation of NOPD commanders and supervisors based on their appropriate use of the EWS to enhance effective and constitutional policing and reduce risk; and h) mechanisms to ensure monitored and secure access to the EWS to ensure the integrity, proper use, and appropriate confidentiality of the data.

Misconduct Complaint Intake, Investigation, and Adjudication	399	Complaint Intake, Classification, Assignment, and Tracking	1	NOPD agrees to develop and implement a complaint classification protocol that is allegation-based rather than anticipated outcome-based to guide PIB in determining where a complaint should be assigned. This complaint classification protocol shall ensure that PIB or an authorized outside agency investigates allegations including: a) serious misconduct, including but not limited to: criminal misconduct; unreasonable use of force; discriminatory policing; false arrest or planting evidence; untruthfulness/false statements; unlawful search; retaliation; sexual misconduct; domestic violence; and theft; b) misconduct implicating the conduct of the supervisory or command leadership of the subject officer; and c) subject to the approval by the Deputy Superintendent of PIB, allegations that any commander requests be conducted by PIB rather than the subject officer's District/Division.
Misconduct Complaint Intake, Investigation, and Adjudication	400	Complaint Intake, Classification, Assignment, and Tracking	1	Where NOPD or the City determines that an externally-generated complaint contains no allegations of misconduct, the complaint shall receive a disposition of "exonerated" or "unfounded" and include for tracking purposes an indication that it was a complaint regarding service or otherwise contained no allegations of misconduct. NOPD agrees to cease the use of "No Violation Observed," "NIMS," or similar dispositions of misconduct allegations. NOPD will use the classification "No Formal Investigation Merited" to resolve only the following types of complaints: a) complaints disputing traffic citations, except that allegations of misconduct contained in such complaints (e.g., racial profiling, illegal search, excessive force) will be classified and investigated according to its merits; b) complaints alleging a delay in police service such as patrol response or detective follow-up, where the preliminary investigation demonstrates that the delay is due to workload. However, if the preliminary investigation discloses that misconduct such as negligence rather than workload caused the delay, the complaint will be classified according to its merits; c) complaints regarding off-duty officer conduct of a civil nature, unless the alleged conduct or its effects constitute misconduct or have a substantial nexus to the officer's employment; and d) complaints in which the preliminary investigation demonstrates that the subject officer does not work for NOPD or where the identity of the subject officer cannot be determined, despite the best efforts of PIB.
Misconduct Complaint Intake, Investigation, and Adjudication	401	Complaint Intake, Classification, Assignment, and Tracking	1	A misconduct complaint investigation may not be conducted by any officer who used force during the incident; whose conduct led to the injury of a person; who authorized the conduct that led to the reported incident or complaint; or who witnessed or was involved in the incident leading to the allegation of misconduct.
Misconduct Complaint Intake, Investigation, and Adjudication	402	Investigation Timeframe	1	NOPD and the City agree to make good faith efforts to have state law amended to permit a reasonable timeframe for the completion of administrative investigations of officer misconduct so that such investigations can be thorough, reliable, and complete.
Misconduct Complaint Intake, Investigation, and Adjudication	403	Investigation Timeframe	2	All administrative investigations conducted by PIB shall be completed within the time limitations mandated by state law and within 90 days of the receipt of the complaint, including assignment, investigation, review and final approval, unless granted an extension as provided for under state law or Civil Service exemption, in which case the investigation shall be completed within 120 days. Where an allegation is sustained, NOPD shall have 30 days to determine and impose the appropriate discipline, except in documented extenuating circumstances, in which case discipline shall be imposed within 60 days. All administrative investigations shall be subject to appropriate interruption (tolling period) as necessary to conduct a concurrent criminal investigation or as provided by law.
Misconduct Complaint Intake, Investigation, and Adjudication	404	Collection of Evidence	1	Officer misconduct investigations shall be as thorough as necessary to reach reliable and complete findings. The misconduct complaint investigator shall interview each complainant in person, absent extenuating circumstances, and this interview shall be recorded in its entirety, absent specific, documented objection by the complainant.
Misconduct Complaint Intake, Investigation, and Adjudication	405	Collection of Evidence	1	All witnesses, including officers witnessing or involved in an incident that becomes the subject of a misconduct complaint, shall provide a written statement regarding the incident or be interviewed as described below.

CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Misconduct Complaint Intake, Investigation, and Adjudication	406	Collection of Evidence	1	Where the alleged misconduct is particularly serious or interviews of the subject officer(s) or other witnesses may be necessary to sufficiently investigate the allegation, the investigator shall conduct an in-person interview. The interview shall be recorded in its entirety, absent, in the case of non-officer witnesses, specific documented objection.
Misconduct Complaint Intake, Investigation, and Adjudication	407	Collection of Evidence	1	Each officer, witness, and complainant shall be interviewed separately. A NOPDAI not involved in the underlying complaint will be used when taking statements or conducting interviews of any Vietnamese or Spanish speaking LEP complainant or witness.
Misconduct Complaint Intake, Investigation, and Adjudication	408	Collection of Evidence	1	The misconduct investigator shall seek to identify all persons at the scene giving rise to a misconduct allegation, especially all NOPD officers. The investigator shall note in the investigative report the identities of all officers and other witnesses who were on the scene but assert they did not witness and were not involved in the incident. The investigator shall conduct further investigation of any such assertions that appear unsupported by the evidence.
Misconduct Complaint Intake, Investigation, and Adjudication	409	Collection of Evidence	1	All misconduct investigation interview recordings shall be stored and maintained in a secure location within PIB.
Misconduct Complaint Intake, Investigation, and Adjudication	410	Collection of Evidence	1	NOPD agrees to require officers to cooperate with administrative investigations, including appearing for an interview when requested by an NOPD or Inspector General investigator and providing all requested documents and evidence. Supervisors shall be notified when an officer under their supervision is summoned as part of an administrative investigation, and shall facilitate the officer's appearance, absent extraordinary and documented circumstances.
Misconduct Complaint Intake, Investigation, and Adjudication	411	Collection of Evidence	1	If at any time during complaint intake or investigation the investigator determines that there may have been criminal conduct on the part of any officer or employee, the investigator shall immediately notify the PIB commander. The PIB commander shall immediately notify the Superintendent, the DA and/or USAO, and the Monitor of the initiation of a criminal investigation. The subject officer shall not be compelled to provide a statement to administrative investigators where there is a potential criminal investigation or prosecution of the officer until the remainder of the investigation has been completed, unless after consultation with prosecuting agency (e.g., DA or USAO) and the PIB commander, such compulsion is deemed appropriate by the Superintendent. NOPD and the City agree to consult with the DA to develop and implement protocols to ensure that the criminal and administrative investigations can be conducted in parallel as appropriate and are kept separate after a subject officer has provided a compelled statement.
Misconduct Complaint Intake, Investigation, and Adjudication	412	Collection of Evidence	1	Nothing in this Agreement or NOPD policy shall hamper an officer's obligation to provide a public safety statement regarding a work related incident or activity. NOPD agrees to make clear in policy and training that all officer statements in incident reports, arrest reports, use of force reports, and similar documents, and statements made in interviews such as those conducted in conjunction with NOPD's routine use of force review and investigation process, are part of each officer's routine professional duties.
Misconduct Complaint Intake, Investigation, and Adjudication	413	Analysis of Evidence	1	In each investigation, NOPD shall consider all relevant evidence, including circumstantial, direct, and physical evidence, as appropriate, and make credibility determinations based upon that evidence. There will be no automatic preference for an officer's statement over a non-officer's statement, nor will NOPD disregard a witness' statement merely because the witness has some connection to the complainant or because of any criminal history. NOPD shall make efforts to resolve material inconsistencies between witness statements.
Misconduct Complaint Intake, Investigation, and Adjudication	414	Analysis of Evidence	1	The resolution of any misconduct complaint must be based upon the preponderance of the evidence. A misconduct investigation shall not be closed simply because the complaint is withdrawn or because the alleged victim is unwilling or unable to provide additional information beyond the initial complaint. In such instances, the investigation shall continue as necessary within the allowable investigation timeframes established under this Agreement to resolve the original allegation(s) where possible based on the evidence and investigatory procedures and techniques available. In each investigation, the fact that a complainant pled guilty or was found guilty of an offense shall not be the deciding factor as to whether an NOPD officer committed the alleged misconduct, nor shall it justify discontinuing the investigation.

Misconduct Complaint Intake, Investigation, and Adjudication	415	Analysis of Evidence	1	The misconduct investigator shall explicitly identify and recommend one of the following dispositions for each allegation of misconduct in an administrative investigation: a) "Unfounded," where the investigation determines, by a preponderance of the evidence, that the alleged misconduct did not occur or did not involve the subject officer; b) "Sustained," where the investigation determines, by a preponderance of the evidence, that the alleged misconduct did occur; c) "Not Sustained," where the investigation is unable to determine, by a preponderance of the evidence, whether the alleged misconduct occurred; or d) "Exonerated," where the investigation determines, by a preponderance of the evidence, that the alleged conduct did occur but did not violate NOPD policies, procedures, or training.
Misconduct Complaint Intake, Investigation, and Adjudication	416	Analysis of Evidence	1	The PIB commander shall accept the investigator's recommended disposition and the Superintendent shall approve the disposition, unless the disposition is unsupported by a preponderance of the evidence or additional investigation is necessary to reach a reliable finding. Where the disposition is unsupported by a preponderance of the evidence, the PIB Commander may correct the disposition or order additional investigation, as necessary.
Misconduct Complaint Intake, Investigation, and Adjudication	417	Analysis of Evidence	1	In addition to determining whether the officer committed the alleged misconduct, administrative investigations shall assess and document whether: (a) the police action was in compliance with training and legal standards; (b) the incident indicates a need for additional training, counseling, or other non-disciplinary corrective measures; and (d) the incident suggests that NOPD should revise its policies, strategies, tactics, or training. This information shall be shared with the relevant commander(s) who shall document the commander's disagreement or agreement with these findings, refer any recommendations to the appropriate individual to implement the recommended change, document the implementation of these recommendations, and return the documentation to PIB.
Misconduct Complaint Intake, Investigation, and Adjudication	418	Integrity of Investigative File and Evidence	1	Division/District-Level investigation reports and all related documentation and evidence shall be provided to PIB immediately upon completion and approval by the appropriate supervisor of the investigation, but no later than three business days.
Misconduct Complaint Intake, Investigation, and Adjudication	419	Integrity of Investigative File and Evidence	1	All investigation reports and related documentation and evidence shall be securely maintained in a central and accessible location until the officer who was a subject of the complaint has severed employment with NOPD.
Misconduct Complaint Intake, Investigation, and Adjudication	420	Communication with Complainant	2	Each misconduct complainant will be kept informed periodically regarding the status of the investigation. The complainant will be notified of the outcome of the investigation, in writing, within 10 business days of the completion of the investigation, including regarding whether any disciplinary or non-disciplinary action was taken.
Misconduct Complaint Intake, Investigation, and Adjudication	421	Discipline Process and Transparency	2	NOPD agrees to ensure that discipline for sustained allegations of misconduct will be based on the nature of the allegation and defined and consistent mitigating and aggravating factors, rather than the identity of the officer or his or her status within NOPD or the broader community. NOPD and the City agree to develop and implement procedures to ensure that discipline is fair and consistent.
Misconduct Complaint Intake, Investigation, and Adjudication	422	Discipline Process and Transparency	1	NOPD agrees to use a disciplinary matrix that: a) establishes a presumptive range of discipline for each type of rule violation; b) increases the presumptive discipline based both on an officer's prior violations of the same or other rules; c) sets out defined mitigating or aggravating factors; d) requires that any departure from the presumptive range of discipline must be justified in writing; e) provides that NOPD shall not take only non-disciplinary corrective action in cases in which the disciplinary matrix calls for the imposition of discipline; and f) provides that NOPD shall consider whether non-disciplinary corrective action also is appropriate in a case where discipline has been imposed.

Misconduct Complaint Intake, Investigation, and Adjudication	423	Discipline Process and Transparency	2	NOPD and the City agree to establish a unified system for reviewing sustained findings and assessing the appropriate level of discipline pursuant to NOPD's disciplinary matrix, in order to facilitate consistency in the imposition of discipline. All disciplinary decisions shall be documented, including the rationale behind any decision to deviate from the level of discipline set out in the disciplinary matrix.
Misconduct Complaint Intake, Investigation, and Adjudication	424	Discipline Process and Transparency	2	NOPD and the City agree to develop and establish written policies and procedures to ensure that the City Attorney's Office provides close guidance to NOPD at the disciplinary stage to ensure that NOPD's disciplinary decisions are as fair and legally defensible as possible.
Misconduct Complaint Intake, Investigation, and Adjudication	425	Discipline Process and Transparency	1	The City agrees to request the Civil Service Commission to, within 90 days of the Effective Date, post online its full decisions related to NOPD discipline in a timely manner.
Misconduct Complaint Intake, Investigation, and Adjudication	426	Annual Report	1	PIB shall include in its annual report a summary of each misconduct complaint, including a description of the allegation, the final approved disposition, and any discipline imposed. PIB's annual report shall also include aggregate misconduct complaint data showing the number of each type of complaint and the number and rate of sustained cases after final approval, and shall provide an analysis of this data that identifies trends and concerns and documents NOPD's response to the identified trends and concerns. The PIB and IPM should coordinate and confer with each other in collecting, analyzing, and reporting this data to avoid or minimize duplication of efforts or resources.
18. TRANSPARENCY				
Transparency and Oversight	427	Data Collection and Public Reporting	1	All NOPD audits and reports related to the implementation of this Agreement shall be publicly available via website and at the Police Department, City Hall, and other public locations, to the fullest extent permissible under law.
Transparency and Oversight	428	Data Collection and Public Reporting	1	Within 30 days of its implementation, each NOPD policy, procedure, and manual, including those created pursuant to this Agreement, shall be posted online and otherwise made publicly available, unless NOPD documents a reasonable security reason for keeping the policy, procedure, or manual private. Where a portion of a manual may not be suitable for public availability, NOPD agrees to make the remainder of the manual publicly available.
Transparency and Oversight	429	Data Collection and Public Reporting	1	NOPD shall collect and maintain all data and records necessary to facilitate and ensure transparency and wide public access to information related to NOPD decision making and activities, as permitted by law.
Transparency and Oversight	430	United States Attorney Criminal Justice Coordination Group	2	Within 120 days of the Effective Date, NOPD shall develop and implement a system of formal coordination between a command-level NOPD official and the DA, municipal and state court judges, the Orleans Public Defenders, the FBI, the USAO, and the IPM. This criminal justice coordination group shall be convened by the USAO and shall meet monthly to share regular feedback regarding the quality of NOPD arrests and indicia of misconduct; to refer specific allegations of misconduct for investigation; and to receive an update on the status of previous referrals.
Transparency and Oversight	431	United States Attorney Criminal Justice Coordination Group	2	The NOPD command-level official shall be accountable for documenting feedback and referrals received; ensuring that operational changes based upon this feedback are considered and made as appropriate; ensuring that all allegations of misconduct are investigated; and providing an update each month to the USAO-convened criminal coordination group regarding the status of investigations of previously referred allegations of misconduct, and the status of consideration of operational changes as a result of feedback received from the group.
Transparency and Oversight	432	District Community Outreach Programs and Meetings	1	Within 180 days of the Effective Date, NOPD agrees to develop and implement a Community Outreach and Public Information program in each NOPD District.
Transparency and Oversight	433	District Community Outreach Programs and Meetings	1	The Community Outreach and Public Information program shall include at least one semi-annual open meeting in each of NOPD's eight Districts for the first year of this Agreement and public about the requirements of this Agreement; NOPD's progress meeting these requirements; and address areas of community concern related to public trust and constitutional policing. At least one week before such meetings, the City shall widely publicize the meetings using earned media opportunities. In determining the locations of the meetings, NOPD shall consider factors such as each access to public transportation and child care.

CD Chapter	¶	Chapter Sub Section	Compliance Status	CD Text
Transparency and Oversight	434	District Community Outreach Programs and Meetings	1	The Community Outreach and Public Information meetings shall include summaries of all pertinent audits and reports completed pursuant to this Agreement and inform the public of any policy changes or other significant actions taken as a result of this Agreement.
Transparency and Oversight	435	District Community Outreach Programs and Meetings	1	For at least the first two years of this Agreement, every NOPD officer and supervisor assigned to a District shall attend at least two community meetings (e.g., NONPACC and other meetings with residents, and business and religious groups) per year in the geographic area to which the officer is assigned.
Transparency and Oversight	436	Police-Community Advisory Board	1	DOJ acknowledges that NOPD and community representatives have acted jointly to create a PCAB to facilitate regular communication and cooperation between the Department, the City, and community leaders, including youth leaders, such as through the development of a community advisory panel and the collaborative development of policing strategies and priorities.
Transparency and Oversight	437	Police-Community Advisory Board	2	NOPD agrees to work collaboratively with PCAB to develop and implement public safety strategies that respect and reflect each community's public safety priorities and concerns about particular police tactics. To the extent specified below, NOPD agrees to seek PCAB's assistance, counsel, and input to build community consensus on potential recommendations in areas including the following: a) community policing strategies; b) accountability for professional/ethical behavior by individual police officers; c) special task forces that meet high priority community need; d) central policy changes, where applicable, that improve quality of life; e) resource allocations to meet high priority, difficult issues; f) strategies for a qualified and diverse workforce; g) providing information to the community and conveying feedback from the community to NOPD; and h) ways to provide data and information, including information about NOPD's compliance with this Agreement, to the public in a transparent and public-friendly format, to the greatest extent allowable by law.
Transparency and Oversight	438	Police-Community Advisory Board	2	NOPD further agrees to participate in quarterly meetings scheduled by PCAB; to allow the meeting agenda to be determined by the PCAB; and to have command/executive level staff representation present at all regularly scheduled meetings.
Transparency and Oversight	439	Community-Based Restorative Justice Project	1	NOPD and the City agree to participate in a community-based restorative justice project. NOPD, the City, and DOJ will work to identify an entity to fund and administer this project. The aim of this project shall be to help remedy mistrust between NOPD and the broader New Orleans community and create an environment for successful problem-solving partnerships.
Transparency and Oversight	440	Office of the Independent Police Monitor	1	This Agreement in no way diminishes the authority and oversight provided by the IPM pursuant to city ordinance and the related Memorandum of Understanding between the IPM and NOPD.
Transparency and Oversight	441	Office of the Independent Police Monitor	2	NOPD and the City agree to provide the IPM ready and timely access to the information necessary to fulfill its duties. The IPM shall have all access to confidential information, including all protections and authority of state law, as does New Orleans' Office of Inspector General.
Transparency and Oversight	442	Office of the Independent Police Monitor	1	NOPD and the City agree to abide by the November 10, 2010, Memorandum of Understanding between the NOPD and the IPM. This MOU is hereby incorporated by reference into this Agreement.
Transparency and Oversight	443	Office of the Independent Police Monitor	1	In determining the timing and content of its reviews and audits, the IPM may coordinate with the Monitor and NOPD to minimize duplication of effort, recognizing that overlapping or redundant audits may be necessary on occasion to assess the quality and reliability of various internal and external oversight mechanisms.
